well

I wanted to reach out to let you know that your second term with the Behavioral Health Services Advisory Council (BHSAC) will expired on 09/30/2022. If you are interested in a second, and final, 3-year term, you will need to complete and sign the attached "SLCO Board Member Renewal Form" and send this back with a copy of your updated resume/CV. In addition to the application and a copy of your current resume/CV, please answer the following questions and include with your response:

5. What education, work experience, or volunteer experience do you have that applies to the specific board/council you are applying for (or a current member of)?
6. What unique perspectives can you bring to the board/council?

The responses to these questions can either be included in the body of the email when you return the other documents and/or you can create a separate document to answer these questions and include this with your response. Please make sure to

include me (Lorraine Cameron) in all future communication as I have taken over Kelli's role of coordinating all administrative aspects of the BHSAC moving forward.

We will need your completed application, updated resume/CV, and the answers to the questions listed above sent back as soon as possible. Once these items have been received, we will prepare your reappointment packet and send to the Mayor and County Council for final review and determination after the October 5, 2022 BHSAC meeting next month.
