**Request Description:** REBUDGET: Project was requested at year end of 2021 and we need the project to be re-budgeted for 2022. Project Description - Redo fire caulking & fire proofing at the Sheriff's office building. It was discovered during a recent inspection by the fire marshal that throughout the life of the building there have been projects, changes, and work done where fire proofing has been removed, not installed, or has failed. This needs to be corrected as soon as possible. These funds will allow us to correct the issue and mitigate the potential fire risk.
