WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 94-3481319. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for formal recognition of tax-exempt status, most organizations will need to complete either Form 1023, Application for Recognition Under Section 501(c)(3) of the Internal Revenue Code, or Form 1024, Application for Recognition of Exemption Under Section 501(a). Submit the completed form, all applicable attachments, and the required user fee to:

The Pension Protection Act of 2006 contains numerous changes to the tax law provisions affecting tax-exempt organizations, including an annual electronic notification requirement (Form 990-N) for organizations not required to file an annual information return (Form 990 or Form 990-EZ). Additionally, if you are required to file an annual information return, you may be required to file it electronically. Please refer to the Charities & Non-Profits page at www.irs.gov for the most current information on your filing requirements.
