Qualifications

Please tell us about yourself.

Howard F. Van Horn II – 1125 Bronze Lane, Sandy, Utah Who am I? First and foremost I am the husband of 57 years of Carol Anne (Robbins) Van Horn. Carol and I were high school sweethearts at Olympus High School. I was 20 years old and Carol was 19 years old when we married. Carol and I moved into White City 54 years ago and we have three children. Amy (Van Horn) Foote who is an accountant with Lone Peak Hospital, Dr. H.F. Van Horn III who works for the Food and Drug Administration, and Dr. Wade Van Horn who manages a Magnetic Resonance Research Center at Arizona State University. Carol and I have 8 grandchildren and 3 great grandchildren. I started work at age 14. Carol graduated from the University of Utah with a degree in Elementary Education. I graduated from the University of Utah with a degree in Business Administration. I spent 6 years in the U.S. Army Reserve and obtained the rank of Sergeant. I was in management with Safeway Stores Inc. and with Kmart Stores Inc. for a combined 23 years of employment. I was a business agent for the United Food & Commercial Workers Union, AFL-CIO for 8 years. I spent 14 years in Governmental Relations with the Utah Public Employees Association. My last 8 years of employment prior to retirement was with Community Solutions and Sales as a property manager. I enjoy backpacking, camping, hunting, fishing, and family events. My life journey has blessed me with good health and with valuable experience in different endeavors. I believe we should all try our best to serve our God, our Family and our Country.

Why are you interested in serving on a board or commission?

I enjoy giving of my time to aid our community.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

I have a B.S. in Business Administration from the University of Utah. I have represented Utah public employees while with the Utah Public Employees Association (UPEA). I am familiar with the workings of State, County, City and Special Service Districts within Utah. I know the legislature well, having been a registered lobbyist for over 10 years. I volunteered for and served with the U.S. Army Reserves, having earned the rank of Sergeant. I have worked on political campaigns of both Democratic and Republican candidates that I perceived were committed to the best interests of Utah Citizens.

What unique perspectives could you bring to the board?

I believe in management by objectives. I do not shirk stressful situations, in fact, the harder the issue, the more I enjoy working on it. I have decades of living experience to guide my decision making process. I do not enjoy re-inventing the wheel. I like to harness the energy and exuberance of those younger than I, and temper it with what I have learned.
