Re: Nomination of Dimple Dell Advisory Board Members

Salt Lake County  
Government Center  
2001 S. State Street  
Suite S4-700  
(385) 468-1800

Dear Mayor Wilson,

We are offering for your consideration the nomination of six (6) applicants to serve on the Dimple Dell Advisory Board, as well as the reappointment of one member who recently completed his first term in office. The Board sought nominations during the Fall of 2021 with the intention of having a full board as soon as possible because improvements are underway in the Dimple Dell Regional Park. Additionally, the County is embarking on a master plan for this regional natural amenity that will guide decisions over the coming decade.

#### THE PROCESS

The Board directed interested persons to submit an application apply through the County's Board Management system. Applications and resumes were shared with sitting Board members for review. After review, the Board interviewed each applicant. They are pleased to forward for your review the following re-appointment and six (6) nominees:

- Pat Weber, Re-Appointment
- Claire Larson
- Brianna McCall
- Taylor Berhow
- Randie Seltz
- Robyn MacDuff
- Elizabeth Wyman

Nominee applications and resumes are included in this packet.

Pat Weber, retired, has extensive management experience and recently finished his 1<sup>st</sup> term on Board serving as Chair.

Claire Larson is an active user of Dimple Dell Regional Park, was first nominated in January of 2021, is an expert in marketing, has been participating in all Board meetings for over a year, and lead efforts to recruit new Board members.

**JENNY WILSON**  
Salt Lake County Mayor

**Robin Chalhoub**  
Department Director  
Community Services

**MARTIN JENSEN**  
Division Director  
Parks & Recreation

Salt Lake County  
Government Center  
2001 S. State Street  
Suite S4-700  
(385) 468-1800

Brianna McCall is a younger applicant with extensive outdoor experience, is a daily user of park for hiking, equestrian, dog walking, is a singer/songwriter, and wants to have voice in future decisions affecting the park.

Taylor Berhow is a lifelong resident of Sandy and is raising her family in the neighborhood, is a user of the park with strong background in working with community boards and local officials and wants to help shape the long-term perspective of the Park and its influence in the community.

Randie Seltz is a regular user of the Park, local leader in elementary school, recognizes the value the Park adds to quality of life, hopes to promote the park and advocate for resources to maintain one of the largest natural areas in a urban setting.

Robyn MacDuff is a former resident of Dimple Dell Regional Park, living in the Spencer Farmhouse from 1976–1992. She has written extensively on the history of the Park and wants to contribute her personal experiences and history to shape Park decisions for the next generation.

Elizabeth Wyman is a biologist, former teacher, and works in water conservation—expertise she is sharing with the Board to benefit the Park.

The primary purpose of Dimple Dell Advisory Board is to provide advice to the Mayor and Council regarding the maintenance, development, and management of the Dimple Dell Regional Park.

Respectfully,

MARTIN JENSEN, Director  
Salt Lake County Parks & Recreation

CC: Lori Haglund, Chair, Dimple Dell Advisory Board  
File

Name	District/City	Term	Core Inputs
Pat Weber	6	Re-appt.	Extensive management experience, finishing 1 <sup>st</sup> term on Board, served as Chair.
Marc Perry	4	1 <sup>st</sup>	Active user, lives in White City, lower part of park.
Nancy Hobbs Orme	6	2 <sup>nd</sup>	Equestrian user of the Park, serves as Board secretary, beginning of 2 <sup>nd</sup> Term.
Emily Montgomery	4	2 <sup>nd</sup>	White City resident, family frequent user of the Park, beginning 2 <sup>nd</sup> term of service.
Lori Haglund	4	2 <sup>nd</sup>	Equestrian, background in marketing, currently serves as Chair of the Board.
Claire Larson	3	Nominee	Active user of Park, nominated in January of 2021, expert in marketing, has been participating in all Board meetings for over a year, helped lead efforts to recruit Board members.
Brianna McCall	4	Nominee	Younger applicant with extensive outdoor experience, daily user of park for hiking, equestrian, dog walking, she is a singer/songwriter and wants to have voice in future decisions affecting the park.
Taylor Berhow	6	Nominee	Lifelong resident of Sandy and user of the park, strong background in working with community boards and local officials, long term perspective of the Park and its influence in the community.
Randall Seltz	6	Nominee	User of the Park, local leader in schools, recognizes the value the Park adds to quality of life, hopes to promote the park, advocate for resources and maintain one of the largest undeveloped open spaces in a urban setting.
Robyn MacDuff	4	Nominee	Former resident of Dimple Dell living in the Spencer Farmhouse from 1976 – 1992, has written extensively on the history of the Park and wants to contribute her experiences and history to shape decisions for the Park for the next generation.
Elizabeth Wyman	6	Nominee	Biologist, former teacher and works in water conservation, lending her expertise to the Park.

**Board Composition:**

- 15 members
  - Representatives from a variety of backgrounds, ages and interests, evenly distributed between equestrian and non-equestrian park users
  - Five current members
  - Six nominees
  - Four vacancies
- Term: Three years
  - Two-term limit

## Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

## Referred by:

[Redacted]

## Qualifications

### Please tell us about yourself.

Hi! I'm Taylor. I love being outside--trail running, backpacking, hiking, etc. I'm currently employed as a social worker at the University of Utah. I provide mental health support/therapy to individuals who experience rare neurological conditions. I just gave birth to my first daughter in April, and am enjoying the balancing act that is parenthood. I love milk (especially chocolate), Lord of the Rings, and Glacier National Park. I've long desired to get involved in my community in a more permanent way, and now that I'm more settled professionally, as well as geographically, I'm hoping to do that.

### Why are you interested in serving on a board or commission?

---

I've lived in Sandy for most of my life. I was born in Sandy, and while I spent several years living elsewhere for school, work, etc., my husband and I recently purchased my childhood home just a couple of blocks away from Dimple Dell. I have LOTS of memories spending time exploring the park as a kid. As a kid, I remember when water used to run through the bottom of the gully every spring and my dad, a retired Sandy police officer, rescued a dog from the river one spring. I spent so much time exploring the park as a child with my brother and cousins, and many hours running the trails as I trained for my cross country and track meets in high school. Now, I'm enjoying evening walks through the park with my daughter strapped to my chest as I navigate postpartum recovery. I care a lot about preserving the beauty and function of Dimple Dell, and now that I'm once again a Sandy resident, I feel the desire to be involved in community issues that matter to me. I also have an educational and professional skill set that I believe could be beneficial in advocating for and representing both the park and the community.

### What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

---

I have a B.A. in Political Science, as well as masters' degrees in Social Work and in Public Administration. I have lots of experience working in political environments, as well as a robust professional background of nonprofit work.

### What unique perspectives could you bring to the board?

---

As a lifelong (almost literally, as this home is the only "permanent" home I've ever lived in) Sandy resident, I think I can uniquely represent the culture and needs of the community. I have strong reading, writing, and communication skills, and am very comfortable interacting with public figures and community boards. I truly think I embody the type of person who could passionately and effectively make a difference in advocating for a place that means so much to me and my family.

### Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

### Referred by:

\_\_\_\_\_

### Qualifications

#### Please tell us about yourself.

My name is Claire Larson, I live on the Dimple Dell Trail :) My backyard is the trail and I walk and or run the trail daily. My family has been very fortunate. We have lived in Sandy over 20 years. We enjoy the amazing wildlife as we explore the trail. Beautiful variety of birds, flowers, horses, deer, fox just make the trail such a great place to explore. I hike many trails across the Wasatch front, and thoroughly enjoy the great outdoors. I am a wife, and the mother of a 17 year old who attends Alta High School as a Junior. I am the Director of Sales and Marketing for a new home builder, I have been a volunteer for Donor Connect, American Heart Association, Builders without Borders, Habitat for Humanity, I regularly participate in food drives at local churches. I enjoy giving back to the community.

#### Why are you interested in serving on a board or commission?

My desire to join this group is to provide future generations to have the same opportunity to enjoy this trail. My goal is to find a balance and share my experiences both as a Real Estate professional and someone who enjoys the trail to preserve the trail. My family migrated to the United States from Beirut, Lebanon in the 80's and I have the utmost gratitude for the enjoyment of the outdoors. Trails and opportunities we are able to enjoy are not easily available in other areas, and my goal is to preserve.

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

I graduated from the University of Utah with a degree in Family Consumer studies. My work experience as a Broker, Marketing and Sales manager also provides great value to this incredible group. I have served as Chair for several organizations, Sales and Marketing Council, American Heart Association, Women's Council of Realtors, Real Estate Political Action Committee, I am and have been a volunteer in the following organizations for years. Donor Connect, American Heart Association, Builders without Borders, Habitat for Humanity, I regularly participate in food drives at local churches. My LinkedIn can share some insight and my reputation as a leader. <https://www.linkedin.com/in/claire-larson-crs-mrp-wcr-csp-b89889b/>

**What unique perspectives could you bring to the board?**

I have been sitting in on the monthly meetings, and living and being on the trail as regularly as I am can share what I am seeing on a regular basis which would provide great value.

### Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

---

### Referred by:

---

### Qualifications

#### Please tell us about yourself.

I lived in the Spencer Farmhouse 1976 - 1992 and enjoyed walking in Dimple Dell and Dry Creek. It is a beautiful open-space park that requires citizen involvement to ensure that the park remains open and available to the citizens of Salt Lake County and others who want the opportunity to walk, hike, or ride horses through the dell.

#### Why are you interested in serving on a board or commission?

I bring present and past history and experience regarding the Spencer Farmhouse, the park and the residents of the area that can contribute to the management plan, revision of that plan, current and future needs of the park, and help with guiding it into the future.

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

I currently manage a state-wide non-profit organization RINS (Raptor Inventory Nest Survey) that supports over 250 volunteers who collect data on nesting birds of prey throughout Utah. I possess skills that include management, education, community outreach, organizing projects, conducting trainings and presentations.

**What unique perspectives could you bring to the board?**

First-hand experience and in-depth research of the history of Dimple Dell and Dry Creek regarding early settlers to Crescent, Dry Creek, and Granite.

### Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

---

### Referred by:

---

### Qualifications

### Please tell us about yourself.

---

I am a licensed special education teacher with experience working in residential treatment academic settings. I previously worked as the Special Education Director at Youth Care, and I recently took on an exciting new position as the Academic Director at Imperial Healing Estate, a small treatment center in Orem. In July of 2020, I purchased my first home in Sandy, UT. Outside of my main occupation, I'm also a local singer/songwriter and have played all over Salt Lake venues including The Rustler at Alta, Urban Lounge, London Belle, and many more. One of my largest accomplishments was Backpacking the Appalachian Trail from Maine to Georgia in 2017. I have a love for the outdoors and especially backpacking. I am currently working on starting a small backpacking business called Let's Get Backpacking! The company is geared towards helping beginners learn how to backpack safely and follow best practices in the backcountry to help preserve our resources. Over the last two year I have noticed the increase in outdoor recreation and an increase in people oblivious to backcountry expectations. I struggle to see so many people treating important places inappropriately by leaving trash, putting products in water sources, etc. I want to provide a resource to help people recreate appropriately which is how the idea of Let's Get Backpacking started. In Summary, I like to stay busy and be involved in the community. I have lived in Salt Lake for 3 years and I am currently in a stable position to commit to the Dimple Dell Committee. I am a go getter and I work well in groups as I have developed important communication skills from working with troubled youth over the past three years.

### Why are you interested in serving on a board or commission?

---

I find myself using Dimple Dell for everything from running to walking the dog to riding horses to holding small gatherings. It is such a valuable resource and I would like to have a voice in future decisions with what is happening with the park. I also am looking for an opportunity to get involved with the Sandy community. Given that Dimple Dell is a place near and dear to my heart, I think it is a great place to start.

### What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

---

M.Ed in Special Education: Current Utah Special Education Teacher. Completion of the Leadership Certificate Program from Sweet Briar College in 2017 A current volunteer for the Brock Strong Foundation. Please review my attached resume for more on education, work experience, and volunteer experience.

### What unique perspectives could you bring to the board?

---

I am a younger individual (26) who can bring a different perspective to the board. I am a well rounded individual so I can easily see different points of view when it comes to Dimple Dell users. I am well educated in mental health and can bring some great qualities to problem solving as a team. I am an active member of the community and a strong leader with a strong environmental interest.

### Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

---

### Referred by:

---

### Qualifications

#### Please tell us about yourself.

As a neighbor to Dimple Dell Park, my family and I have spent countless hours hiking, running, and exploring the space. I am a leader at a local school. I enjoy spending time outdoors. I want to work towards preserving open spaces like Dimple Dell so that future generations can enjoy them.

#### Why are you interested in serving on a board or commission?

I believe in promoting the incredible natural resource that Dimple Dell Park is. As one of the largest undeveloped open spaces in an urban area in the United States, I recognize the tremendous value the park adds to the quality of life to residents in the Salt Lake Valley and beyond. I hope to serve on the board to promote the park, advocate for resources to maintain and protect the park, and develop programs and systems that can further the mission and vision of the Dimple Dell Park Advisory Board.

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

As a school leader, I am the problem solver in chief. I understand how to think and act quickly (and calmly) in order to solve problems and work towards a resolution that each party can move forward with. I have a Masters Of Education in Educational Leadership from the University of Utah. I have also been an adjunct professor at The University of Utah. In these roles as an educator, I have learned to listen diligently and communicate clearly when working to resolve a problem. My home is close to the park and I run the Dimple Dell trails nearly every day after school. I have several years of experience in promoting programs and communicating with stakeholders in meaningful and engaging ways.

**What unique perspectives could you bring to the board?**

I bring the perspective of an individual who visits the park almost daily to run and hike. I have seen the park being enjoyed by more and more people and pets and have also witnessed the remnants of that enjoyment: increased amounts of litter and dog waste. I am also a neighbor to the park and believe the park adds a tremendous amount of value to the quality of life in all of the neighborhoods adjacent to the boundaries. I believe more can be done to promote responsible use of the park to maintain the health of the local ecosystem and ensure the park will be there for generations to come.

## OBJECTIVE

A position on the Dimple Dell Park Advisory Board requiring my extensive leadership experience, strong organizational skills, and commitment to preserving parks and open spaces.

## EDUCATION

**Master of Education, The University of Utah, Salt Lake City, UT** **April 2017**

Major: Educational Leadership and Policy with Administrative Licensure

**Bachelor of Arts, Western Michigan University, Kalamazoo, MI** **April 2009**

Major: English      Minor: History      Licensure: Secondary English Level 2

## INSTRUCTIONAL LEADERSHIP and TEACHING EXPERIENCE

**Assistant Principal, Draper Park Middle School, Draper, UT** **July 17-Present**

- Supervised teachers and students through a collaborative leadership style, emphasizing positive relationships
- Ensured teachers provided high-quality instruction to improve student learning outcomes
- Communicated with teachers, students, and families about important school events and pertinent issues
- Provided crucial feedback to teachers about their teaching efficacy through the CTESS evaluation system
- Collaborated with students, parents to resolve behavioral and academic issues using a restorative justice lens
- Assisted in the development of teacher professional learning plans, safety plans, and other school projects

**Adjunct Professor, The University of Utah, Salt Lake City, UT** **Fall Semesters 17 & 18**

- Designed course curriculum and facilitated classroom instruction for the ELP 6390 “Instructional Coaching” class in The University of Utah’s Educational Leadership Master’s Program in Teacher Leadership.
- Advised classroom teachers on ways to integrate best practices in teaching and instructional coaching.

**Achievement Coach, Jordan High School & Canyons School District, Sandy, UT** **August 16-June 17**

- Facilitated instructional coaching cycles with all teachers at Jordan High by performing classroom observations, providing specific feedback, as well as setting and tracking performance goals
- Collaborated with school and district administration to provide individualized professional development for teachers at the school and district levels
- Provided support and feedback to Departmental Instructional PLC and Interdisciplinary PLC teams
- Served on the Building Leadership Team, the At-Risk Student Committee, and the AVID Site Team

**Lead Mentor Teacher and Induction Coordinator, Herriman High School** **August 14-June 16**

- Developed and facilitated a comprehensive site-based school induction and mentoring program that provided professional development aligned with CSIP goals for provisional teachers
- Worked as a non-evaluative instructional coach for all teachers at Herriman High School
- Supervised and trained mentor teachers to provide individualized supports for new teachers

**English Teacher, Herriman High School, Herriman, UT** **August 12-June 16**

- Taught 10<sup>th</sup> grade English Language Arts, as well as AP Language and Composition, and Debate
- Instructed students at different cognitive, intellectual, and physical abilities and coordinated effective interventions with special education department
- Communicated regularly with parents and families through phone and email regarding students’ progress

**English Teacher and Department Chair, Mountainville Academy** **August 09-June 12**

- Taught English Language Arts to 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup>, and 9<sup>th</sup> grade students
- Developed curriculum for Language Arts classes as well as leadership and character development programs that utilized the *7 Habits of Highly Effective Teens* and other materials
- Facilitated weekly PLC meetings designed to build community, plan cross-curricular lessons, and keep department members aware of upcoming events and projects within the school
- Presented professional development mini-lessons about various pedagogical subjects, including: writing, differentiating instruction, and reading comprehension pedagogy at school-wide faculty meetings

## SCHOLARSHIP

**Gilder-Lehrman Summer Institute, Harvard University, Cambridge, MA**

**July 2014**

- Participated in a week-long seminar titled “American Protest Literature: Thomas Paine to Present”

**Jordan-BYU Associates Program, Brigham Young University, Provo, UT**

**August 13-April 14**

- Jordan School District and Brigham Young University leadership development program
- Read and discussed professional texts about leadership, school change, and equitable education

**Central Utah Writing Project Fellow, Brigham Young University, Provo, UT**

**July 2012**

- Participated in a 3-week intensive summer institute that emphasized best practices and current research in teaching secondary reading and writing

## AWARDS AND HONORS

### Which Boards would you like to apply for?

Parks & Recreation Advisory Board: Submitted

---

### Referred by:

---

### Qualifications

#### Please tell us about yourself.

I am currently the Chairman of the Dimple Dell Advisory Board. I have been a resident of Salt Lake County for over 42 years and have been involved with recreation activities throughout that time. I have been involved with multiple youth recreation activities, served on the Alta Canyon Rec Center Citizens Board (back when it first opened), and take advantage of the multiple rec activities available in the County. I am retired, and semi-active in local politics. I have time to serve as I am retired and believe I have an ability to look at the big picture and not favor one side over another.

#### Why are you interested in serving on a board or commission?

I believe boards need people who will look at all facets of issues, and do what is necessary to meet the needs of the county citizens, commensurate with applicable laws. I have a strong interest in Parks and Recreation for the County as I believe a strong and healthy Parks and Rec program is extremely helpful to users and non-users as it raises the living environment for all of the citizens. I am open minded and don't come in with a defined agenda prior to listening to all sides of an issue.

Patrick Weber

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

College degree: University of Maryland Last few years of work dealt with Federal and State regulations, both initiation and implementation for my company Current Chairman Dimple Dell Advisory Board Volunteer as youth sports coach (soccer and volleyball), referee for youth sports; user of golf courses throughout the valley

**What unique perspectives could you bring to the board?**

Intelligent, open minded, thorough in dealing with issues, work well with all people. Not politically motivated. Truly want Parks and Rec to reach as many citizens as possible within the framework of County directives (e.g. Budget, Regulations, Etc.)

## Which Boards would you like to apply for?

Dimple Dell Regional Park Advisory Board: Submitted

## Referred by:

\_\_\_\_\_

## Qualifications

### Please tell us about yourself.

As a Utah native, I have grown up with a deep appreciation for Utah public lands, flora and fauna. My passion for nature and Utah has been a guiding force my entire life, from studying Biology in college, to interning in Zion National Park, to teaching high school science, to my current job in water conservation. I love spending my free time recreating outdoors running, biking, hiking, and skiing. I even take care to bring a sketch book on some adventures, as drawing is one of my favorite past times.

### Why are you interested in serving on a board or commission?

I bought my home in Sandy four and a half years ago; proximity to Dimple Dell was one of my top buying points. I spend time in Dimple Dell several times a week. To me, it is a treasure. I do not think I am alone in my sentiment and suspect the pressures of COVID have drawn more people into the area seeking solace, beauty, or a place to recreate. I care deeply about working to improve yet preserve Dimple Dell and want to volunteer my time, skills, and perspective ensure the health of the park.

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

My education is in science, and education. I have a BA in biology and a MAT in chemistry. I spent 10 years teaching secondary science. Additionally, I obtained my Master Gardener's certificate last year and continue to participate in the program. My current job involves community outreach about water use, as well as management of our water-wise landscaping rewards programs. I have volunteered with eco-tourism programs, youth service programs, and voter registration programs. All of my experiences have and continue to hone my professional skill set: I am organized, I am hardworking, I am creative, thoughtful and logical. I enjoy cooperating with teams, and collaborating to find the best solution. My communication skills are top notch, and I enjoy being part of my community. Lastly, I am a dynamic public speaker and comfortable engaging with groups ranging from few to many.

**What unique perspectives could you bring to the board?**

I am proud to be from Utah, and I notice that being a Native Utahan is increasingly special. My hobbies and passions give me the perspectives of a naturalist, an educator, a runner, a biker, and a conservationist. Tying these things together is pragmatism and positivity. I've spent time learning to collaborate in such a way that everyone wins. My 1980's birthday qualifies me as a millennial, and though I'm not always wild about that moniker, I do bring some youth and connection to younger generations.
