RESOLUTION NO. 5907

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL APPROVING AND AUTHORIZING THE MAYOR TO OFFER A PAYMENT FOR EMPLOYEES TO GET VACCINATED AGAINST COVID-19 AND INFLUENZA

RECITALS

A. Salt Lake County (the “County”) has demonstrated its priority to public health in its response to the COVID-19 pandemic. The County is taking a proactive stance against the pandemic to enable our communities to return to normal. COVID-19 vaccinations are abundantly available and undoubtedly the pathway to mitigating the impact of the pandemic on the County and its residents.

B. The County has long supported influenza vaccination as a proactive approach to limiting the effect of seasonal influenza on the workplace and our communities. Vaccination has been shown to have many benefits including reducing the risk of flu illnesses, hospitalizations and even the risk of flu-related death in children. Salt Lake County remains in the high

transmission category for COVID-19, and area hospitals, including ICU units, are filled beyond capacity. Thus, minimizing the impact of a seasonal flu outbreak on hospitals by providing additional annual incentives to County employees to access flu vaccination makes sense for the 2021 flu season.

C. The County Council and Mayor have determined that a monetary reward would be an effective incentive for employees to get vaccinated against COVID-19 and influenza as having a vaccinated workforce is in the best interest of the County, its employees, and the community it serves.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council:

1. Employees who provide proof of COVID-19 vaccination on or before December 3, 2021, shall receive a payment in the amount of \$300.00.
2. Employees who provide proof of COVID-19 vaccination on or before December 3, 2021, shall receive a payment in the amount of \$300.00.
2. Employees who provide proof of COVID-19 vaccination for themselves and every eligible member of their household twelve (12) years old or older on or before December 3, 2021, shall receive an additional payment in the amount of \$100.00.
3. Employees who provide proof of both a COVID-19 vaccination and an influenza vaccination on or before December 3, 2021, shall receive an additional payment in the amount of \$100.00.
4. Employees may receive a total of \$500.00 in vaccination payments.
5. The Mayor is hereby authorized to administer the vaccination payments in an amount not to exceed \$3,500,000.00.
