**Ms. Lannie Chapman**, County Clerk, presented on the certification of the 2023 primary election results for Congressional District 2.

- A total of 208,239 eligible Utah voters participated in the 2023 primary.
- Salt Lake County provided four early voting locations and twelve Election Day Vote Centers.
- There were 51,919 Salt Lake County voters who turned out to vote- 784 in person and 51,159 by mail. The total voter turnout was 24.9 percent. Voter turnout is typically lower in municipal years than in even years.
- The Election Management Center (EMC) has been diligently processing ballots with proper notice to allow poll watchers to observe the process.
- Out of 51,159 mail-in ballots received, 406 required adjudications due to various issues: 105 ambiguous marks, 141 blank ballots, 463 blank contests, 220 over votes, and 7,515 under votes.
- Ms. Chapman read from Utah Code §20A-4-105, which addresses procedural guidelines for ballot adjudication.
- The Lieutenant Governor's office provided guidance and oversight for the audit, including the creation of instructional handouts at each adjudication station. It also provided a list of ballots and matches for random sample selection, with selections made without prior authorization. Board Members Winder Newton, Granato, Harrison, Stringham, and Stewart observed a portion of the audit. No staff from the Clerk's Office participated in the audit.
