Qualifications

Please tell us about yourself.

Dirk Burton grew up in Kearns just north of the South Valley Regional Airport. He later moved to West Jordan where he and his wife, Janet, have raised their six children. After living in the city for more than two decades, they now consider West Jordan their permanent home. Dirk started his business as an electrical contractor in 1988. As a master electrician, he began training other electricians and is now DOPL (department of Professional Licensing) approved. Dirk continues to be an education provider for electricians today. As a member of the West Jordan Chamber of Commerce, Dirk joins other business owners to promote a healthy business environment for both our city and the state of Utah. Dirk credits the Chamber for facilitating his effectiveness with various level of governments. Dirk was elected to the West Jordan City Council in 2015. His involvement in civic activities demonstrates his commitment to keep our community thriving. Dirk's proven leadership skills have been utilized in positions such as; chairman of the Utah State Electricians Licensing Board, Utah State Construction Commissioner, board member of West Jordan Chamber of Commerce, Salt Lake County Council of Governments (COG), Western Growth Coalition, Jordan River Commission member, and chairman of the Association of Municipal Councils.

Why are you interested in serving on a board or commission?

Interested in serving the community and representing the City of West Jordan on the ZAP Tier II Board. Accepted nomination to serve on this board during the COM meeting held on June 24, 2021.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

Mayor Burton was nominated to serve on the ZAP Tier II Advisory Board during the Conference of Mayors meeting held on June 24, 2021. Per County Ordinance 3.07.060, two mayors from municipalities within Salt Lake County shall serve on the Tier II Advisory Board. Mayor Burton will be replacing Mayor Peterson on the Tier II Advisory Board.

What unique perspectives could you bring to the board?
