Background and Working Group

Represent

Represent the needs and interests of stakeholders (internal & external)

Establish

Establish effective communication channels with the group(s) being represented to both collect feedback and report on progress

Work

Work collaboratively with the entire working group to collectively represent the needs of all stakeholders.

Assist in

Assist in mediating conflicting needs and requirements.

Engage/Report

Engage/Report to Mayor, Council, Elected Officials and TAB on progress and major decision points.

Working Group Membership

Mayor – Chloe Morroni

Council – Lisa Hartman

Surveyor, Assessor, Treasurer, Auditor,
Recorder & Clerk – Reid Demman

Sheriff – Kevin Hunter

DA – Lisa Ashman

Project Sponsor – Megan Hillyard

Project Manager – Lisa Allcott

Project Support – IT

Key Tasks Completed To Date

March 11th

- Administrative Services and Information Services released an RFI to get a sense of how vendors would approach this project and the anticipated cost

March 20th

- Contracts and Procurement received 12 responses to the RFI, which confirmed the amount requested (\$250,000) is appropriate

March 21st

- Administrative Services and Information Services presented a general project update at TAB and accomplished:
- Approval of proposed project goals (see below)
- Request to create a small (3-5 person) working committee of individuals representing the interests of all elected offices (see committee membership below).

May 7th

- Held first working group committee

May 22nd

- Working group presented and received approval for the final project plan from TAB

June 14

- Requesting Council approval to release \$250,000
