### ***Re: Salt Lake County Corridor Preservation Fund***

Dear Mayor Wilson and Chair Theodore:

The full Council of Governments (COG) met on January 16, 2025, and voted to support the recommendation forwarded by the Council of Governments Public Works Committee to fund three projects and provide additional funding for a 2021 project using Corridor Preservation funds for a total of \$2,531,335.00. The projects listed and summarized below received a unanimous vote in the affirmative.

#### **City of Cottonwood Heights awarded \$1,835**

Cottonwood Heights requested additional funds to supplement a 2021 Corridor Preservation award for a project on Fort Union Blvd that did not fully cover the final purchase costs.

#### **City of Herriman awarded \$2,007,500**

Herriman requested funds to purchase its final land acquisition necessary to complete the 12600 South Herriman Parkway project.

#### **City of South Jordan awarded \$189,500**

South Jordan requested funds to purchase land to widen Riverfront Parkway between 11050 South and 11400 South.

#### **Greater Salt Lake Municipal Services District on behalf of the City of Magna awarded \$332,500**

The MSD requested funds on behalf of Magna City to purchase land to realign and widen areas near the intersection of 8000 West and 2700 South.

Salt Lake County will reimburse funds for the corridor preservation projects fund once each municipality enters into a Council-approved Interlocal Cooperation Agreement that outlines the disbursement terms and the municipality submits required documentation based on the ILA.
