Re: Personal Property Tax Abatement Request
Tax Roll #: 37 141503
Taxpayer: Wadsworth Ralph L Construction Company
Tax Year: 2021

Attention: Laurie Stringham, Chair

Dear Council Members;

In filing the original 2021 personal property tax return, Wadsworth Construction, erroneously reported assets with situs in Davis County. The same assets were also reported correctly to Davis County. As a result, the taxpayer has been double assessed on assets that were not in Salt Lake County on January 1, 2021. We have reviewed the Davis County filing to validate the error. The Assessor's office is requesting to abate the excess tax paid creating a credit on the account. The taxpayer has requested that the credit be applied to the 2022 personal property tax bill.

With your authority, the Assessor's office will make the necessary corrections. The abatement will be for \$15,677.79, based on taxable value of \$1,314,148 for tax year 2021.

Sincerely,

Chris Stavros
