Council Member Bradshaw, seconded by Council Member DeBry, moved to open the public hearing. The motion passed unanimously.

Mr. Steve Van Maren stated Sandy City is a participant in the Drug Enforcement Administration (DEA) Task Force, so the County providing General Fund money to it means Sandy City will be paying into it twice. He asked if there was a chance the funds would not be expended, or if the County was just going to allocate them and not get them back.

Council Member DeBry stated the County is negotiating with another city to participate, so the Sheriff's Office will not have to expend all the money. In the event, this plan is not successful, the County will do what it needs to do to keep the task force running because it is so important to the citizens of this County.

Council Member Wilson stated a lot of cities do not participate at all, so the County needs time to get this right while the Unified Police Department goes through a transition. If the County did not fund this, it would be devastating to gang units in the area. Part of the intent was also to be cost conscientious in that it would cost more to retrain a task force and everything else that goes with it if this was lost.

Council Member Bradshaw, seconded by Council Member Wilson, moved to close the public hearing, and adopt the following resolution, including Exhibits A and B:

RESOLUTION NO. 5387

ADOPTED: JUNE 19, 2018

A RESOLUTION OF THE COUNTY COUNCIL OF SALT LAKE COUNTY APPROVING AND ADOPTING PROPOSED AD VALOREM TAX RATES ON THE TAXABLE PROPERTY IN THE COUNTY FOR FISCAL YEAR 2018 AND APPROVING AND ADOPTING ADJUSTMENTS IN SEVERAL COUNTY BUDGETS FOR FISCAL YEAR 2018.

BE IT KNOWN AND REMEMBERED THAT:

A. Utah Code Ann. §§ 59-2-909 and 59-2-912, require the County Council of Salt Lake County to adopt proposed or final ad valorem tax rates on all taxable property in the County before June 22 of each year unless otherwise authorized by the State Tax Commission. The adoption of tax rates by the County Council is based upon rates that are set, or will be set, by the Utah State Tax Commission. The Council is adopting final tax rates on June 19th, 2018, to provide funds for its fiscal year 2018 budgets;

B. The Council also wants to revise the 2018 budgets and make certain fund transfers that reflect the County's new revenue projections and fund balances in several budgetary accounts of the County, including, among other things, the budgets of the General Fund, the Public Works Enterprise Fund, and the Library Fund for fiscal year 2018;
