- 2.9** A Resolution of the Salt Lake County Council Requesting the Mayor's Office of Finance Administration to Prepare a 3% Property Tax Reduction for Presentation to the Salt Lake County Council [21-1062](#)

Attachments: [Staff Report](#)
[Property Tax Reduction Resolution](#)

Sponsors: Council Member Dave Alvord and Council Member Dea Theodore (Approx. 30 mins).

Discussion/Direction

Council Member Granato asked what impact this resolution would have on the County's Triple A bond rating.

Mr. Darrin Casper, Deputy Mayor of Finance and Administration, stated a Triple A bond rating saves the County at least 20 basis points. The County normally has between \$300 to \$500 million in bond debt at any given time. A 3 percent cut would put pressure on the budget in key areas. It is important to maintain a structurally balanced budget.

Mayor Jennifer Wilson asked for clarification from legal counsel as to what powers she has opposed to what powers the Council has when it comes to the budget. She felt the Council could ask for this to be included, but she did not think she would be required to do so.

Mr. Ralph Chamness, Deputy District Attorney, stated the Mayor would not be obligated to submit a budget with a 3 percent decrease. She can say no.

Mr. Mitch Park, Legal Counsel, Council Office, stated the Council has full ability to entertain a 3 percent tax cut as part of the budget process.

Council Members opposed this resolution because they did not feel it was the appropriate timing. Cuts to the budget are made during the budget

workshop session.

A motion was made by Council Member Bradshaw, seconded by Council Member Granato, that this agenda item be tabled. The motion carried by the following vote:

Aye: Council Member DeBry, Council Member Snelgrove, Council Member Bradley, Council Member Bradshaw, Council Member Winder Newton, and Council Member Granato
