County Council

1. CALL TO ORDER

Present: Council Chair Laurie Stringham
Council Member Jim Bradley
Council Member Arlyn Bradshaw
Council Member Dave Alvord
Council Member Aimee Winder Newton
Council Member Ann Granato
Council Member Sheldon Stewart
Council Member Dea Theodore

Excused: Council Member Suzanne Harrison

Invocation - Reading or Thought - Pledge of Allegiance

Mr. Mitchell Park, Legal Counsel, Council Office, led the Pledge of Allegiance to the Flag of the United States of America.

2. PUBLIC COMMENT

Ms. Susan Sandack spoke in favor of the budget adjustment for the Clerk's Office. This November election was going to be busy, and the adjustment would be needed. She stated the Clerk's office needed more funding so it could do more outreach to disenfranchised voters.

Mr. Steve Winters stated he reached out to local clergy to ask them to share with their congregations, information about fluoride use. The American Medical Association (AMA) has asked pregnant women not to ingest fluoridated water, which is difficult because most water is fluoridated. Some clergy members were opposed to sharing political information, but others seemed open to it.

3. REPORT OF ELECTED OFFICIALS:**3.1. County Council Members**

Council Member Theodore stated she attended the celebration at Midvale Harvest Days. It was a lot of work and a lovely time.

Council Member Bradley stated it was time for the annual Salt Lake County 4-H auction. He thanked all the members of the Council for their contributions.

Council Member Stringham stated the United States of America is doing well in the Olympics. She participated in the Alofa Fa'a Samoa celebration at the Southridge Park. It was a huge success.

3.2. County Mayor

Mayor Jennifer Wilson delivered her weekly update.

- Ms. Liz Solis had joined the Mayor's Office as the new Communications Director. Ms. Solis has over two decades of experience in public service.
- Mayor Wilson was part of the delegation that went to Paris for the announcement of the acceptance of Utah's Olympic bid for 2034. The International Olympic Committee (IOC) passed the County's venues with flying colors. France also delivered a presentation for 2030, but an agreement has not yet been signed. France's divided government must be able to provide a financial guarantee for the French Alps to be used. The assumption is that this will happen, but Utah is watching to see if France will be able to execute the games.

3.3. Other Elected County Officials

Sheriff Rosie Rivera stated she sent an email to the Council notifying it of the death of Deputy Marbella Martinez, who passed away August 1st. Deputy Martinez's death has been ruled suspicious, and a person of interest has been identified by the Tooele Police Department, who is investigating the case. The family has no services planned at this time for financial reasons.

[2024 Administrative Services Council Presentation](#)

Presenter: Megan Hillyard, SLCo Department Director of Administrative Services. (Approx. 1:50PM, 30 Min.)

Informational

Ms. Megan Hillyard, Director, Administrative Services Department, delivered a PowerPoint presentation entitled “Administrative Services Overview.” She reviewed how the seven divisions are funded; the Addressing Services Division; the Contracts and Procurement Division; the Information Technology Division; the Information Technology projects completed by year; the Facilities Services Division; the Real Estate Division; the Records Management and Archives Division; and the ten County agencies that receive the most Government Records Access and Management Act (GRAMA) requests.

Mr. Javaid Lal, Director of Performance and Innovation, Administrative Services Department, continued the presentation, reviewing the Data and Innovation Division.

Ms. Hillyard concluded the presentation reviewing the contra account update.

Later in the meeting:

Council Member Stringham asked Ms. Hillyard to return to answer a few remaining questions about the Service, Opportunity, Assessment Review (SOAR) and its function. She asked Ms. Hillyard to touch on the study on the Government Center specifically.

Ms. Hillyard stated SOAR is a collaborative initiative to review, and where appropriate, reimagine county operations in the areas of physical, digital, human capital, and operational transformation. In other words, it focuses on how the County's space is working for the County. Regarding the Government Center, a facility condition assessment was performed in 2017 and again in 2024. This assessment broke down the imminent challenges faced by the Government Center. Her department recently set up tables in both buildings so it could ask visitors for feedback. The interviews indicated that members of the public would like to have services closer to where they live. Also, some experienced confusion trying to determine which particular County office provided the service they were looking for. As the building was built in 1987, it is coming to the end of its useful life without major investments.

Ms. Brenda Nelson, Audit Manager, Auditor's Office, continued the presentation, reviewing the audit findings regarding overtime and compensatory time; timecards; and retroactive pay.

Ms. Shauna Ahlborn, Division Administrator, Auditor's Office, concluded the presentation, reviewing the audit findings regarding documentation not on

- His office only had Global Positioning System (GPS) tracking on new vehicles due to budget constraints during Covid. All vehicles now have tracking and their usage is being closely monitored.

Presenter: Scott Baird, SLCo Public Workers Department Director. (Approx. 3:45PM, 10 Min.)

Discussion/Direction

Mr. Scott Baird, Director, Public Works Department, reviewed the ordinance. This ordinance would enact three minor changes: The first change would add two seats to the board, going from seven to nine. The second change would eliminate term limits because the seats would turn over as elected officials change. The third change would allow the public member of the board to be reappointed to two-year terms.

A motion was made by Council Member Bradshaw, seconded by Council Member Stewart, that this item be forwarded to the August 13, 2024 Council Meeting for final consideration. The motion carried by a unanimous vote.

He reviewed the meeting goals; a history of the Rio Grande Depot; a contrast with pictures of other stations around the United States; the current conditions in downtown Salt Lake City; what the Rio Grande Plan is; economic benefits of the plan; and a summary.

Council Member Winder Newton asked Legal Council if a motion would be appropriate for this.

Mr. Mitchell Park, Legal Council, Council Office, stated it would be allowable and not too dissimilar to legislative intent.

Council Member Stewart stated he would be voting "nay", but only because he did not anticipate a vote today and he had not had time to consider the issue.

A motion was made by Council Member Winder Newton, seconded by Council Member Bradshaw, that the Council give preliminary support of the Rio Grande Plan and encourage any transportation plans affecting Salt Lake County to include this option as something worth consideration. The motion carried by a 5 to 2 vote, with Council Members Alvord and Stewart voting "Nay." Council Member Bradley was absent for the vote.

RESOLUTION NO. 6223

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL DECLARING SURPLUS REAL PROPERTY AVAILABLE FOR DISPOSITION, AUTHORIZING THE EXECUTION OF AN INTERLOCAL COOPERATION AGREEMENT FOR THE CONVEYANCE OF THE PROPERTY TO WEST VALLEY CITY

RECITALS

A. In 1984, Salt Lake County (“County”) obtained title by tax deed to a parcel of real property located at approximately 3578 South Acoma Street, West Valley City, Utah, also known as Parcel No. 14-36-201-005 (the “Property”). The Property is not currently in public use by the County.

B. West Valley City (the “City”) has offered in writing to purchase the Property for One Hundred Five Dollars (\$105.00), which is the amount of the back taxes and fees owed on the Property, to use as part of a public project.

C. Because the Property has no use to County and will be placed in public use by the City, the Salt Lake County Real Estate Section has determined that payment of One Hundred Five Dollars (\$105.00) is full and adequate consideration to cover back taxes and fees for the conveyance of the Property.

D. Proceeds from the sale of County’s interest in the Property will be distributed in accordance with Section 59-2-1351.5 of the Utah Code.

E. It has been determined that the best interest of County and the general public will be served by the sale and conveyance of County’s interest in the Property for the sum of One Hundred Five Dollars (\$105.00). The sale and conveyance will be in compliance with all applicable state statutes and county ordinances.

RESOLUTION

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council that the real property constituting the Property to be conveyed to the City be and the same is hereby declared available for disposition.

IT IS FURTHER RESOLVED by the Salt Lake County Council that the sale and conveyance of said parcel of real property by quitclaim deed to the City for the agreed consideration, as provided in the Interlocal Cooperation Agreement attached hereto as Exhibit A and by this reference made a part of this Resolution, is hereby approved; and the Mayor is hereby authorized to execute the original of said Interlocal Cooperation Agreement.

IT IS FURTHER RESOLVED by the Salt Lake County Council that the Mayor and County Clerk are hereby authorized consistent with the terms of the Inerlocal Cooperation Agreement to execute the Quitclaim deed, attached hereto as Exhibit B and by this reference made a part of this Resolution, and to deliver the fully executed document to the County Real Estate Section for delivery to the City upon payment of the agreed upon purchase amount.

Informational

Council Member Granato read the proclamation initiated by Council Member Harrison, who was not able to attend today’s meeting.

Whereas, as part of Survivors at the Summit, thousands of cancer survivors, their caregivers and supporters have been climbing summits to honor and recognize those with cancer for over 25 years; and

Whereas, you are a cancer survivor from the moment you hear the words “you have cancer”; and

Whereas, cancer survivors across our community continue to be impacted by a cancer diagnosis for years after detection and often for the rest of their lives; and

Whereas, the number of cancer survivors in our community continues to increase as cancer diagnoses increase and treatment prolongs many of their lives; and

Whereas, cancer does not discriminate, and cancer survivors come from all across our community representing all age groups, races, genders and orientations; and

Whereas, in addition to the debilitating impacts of their disease and treatment, many cancer survivors also face barriers to their physical, mental, emotional, financial, spiritual and social health as well as affordable access to quality oncology-specific care, support and education, and the community infrastructure services they need; and

Whereas, despite all of these barriers and challenges they face, cancer survivors remain resilient and committed to living with and overcoming their diagnosis and to being healthy and well and to living life as fully as possible given their situation; and

Whereas, the words “I have cancer” should never be construed to mean “I can’t sir”; and

Whereas, hundreds of people of all abilities are conquering summits of all elevations across Salt Lake County while carrying yellow Tribute Flags to honor those among us both living with and lost to cancer as part of Survivors at the Summit this year,

NOW, THEREFORE, I, Council Member Suzanne Harrison, along with Council Members Ann Granato, Dea Theodore, Aimee Winder Newton, Arlyn Bradshaw and Council Chair Laurie Stringham, do hereby join with our entire community in proclaiming Sunday, August 4, 2024, as

Survivors at the Summit Day

and urge community and faith leaders, cancer care advocates and providers, educators, public officials, and all people of Salt Lake County to recognize and remember the cancer survivors both present and past that have inspired us with their resilience in the face of unimaginable hardship and their passion and commitment to living fully and courageously with their diagnosis.
