### Qualifications

Please tell us about yourself.

I'm an animal welfare professional and Salt Lake County resident.

Why are you interested in serving on a board or commission?

I'm a subject matter expert in animal sheltering and have seen firsthand the power of expanding public/private partnerships to provide services to community members.

**What education, work experience, or volunteer experience do you have that applies to the board you are applying for?**

I work for the Humane Society of Utah as the Pet Resource Center Director overseeing all pet retention and sheltering services. I've been with HSU for over 19 years in several roles, including volunteer and staff positions, and have had the opportunity to work directly with Salt Lake County Animal Services as a partner in transferring animals as well as providing community services like pet food pantries. I graduated from the year long Leadership Utah program through the SL Chamber of Commerce in 2021. I served as treasurer for BE-PAC, a political action committee focused on public school issues, taught in the Salt Lake City School District, and served as both PTA President and SCC Chair for Wasatch Elementary.

**What unique perspectives could you bring to the board?**

Ensuring our county animal services is using best practices of progressive animal welfare and strengthening the relationships between our public agency and the many private animal welfare organizations locally and regionally.
