

2024 Proposed Projects - Unincorporated County

Community	Capital Project Description	Community Project Ranking	Engineering Ranking	Concern Project Will Address	Location of Project	Department	Estimated Cost
West Side	Majestic Oaks Lane Design (approx. \$2.5M total pave cost)		1	rough road, lack of winter maintenance	Majestic Oaks Lane from Rose Canyon Rd to Coyote View	Engineering	\$ 250,000.00
Granite Community Council	There is a storm water catch basin just west of the mailbox on the south side of Dimple Dell Road at 2536 East. It pipes across Dimple Dell Road and is eroding the bank on the north side and will soon undermine the road shoulder.		2	potential to undermine the road - engineering has been coordinating with Sandy on this	South side of Dimple Dell Road at 2536 East	Engineering	\$ 500,000.00
Sandy Hills CC	Various Road Safety / Traffic Calming projects:	1 to 3	3	Road Safety / Traffic Calming		Engineering & Operations	\$ 130,000.00
Sandy Hills CC	Flashing speed signs are needed on "8600 South" just west of Mesa Drive (westbound traffic) and somewhere on "8600 South" east of 1300 East (eastbound traffic)	3		traffic calming	8600 South just west of Mesa Drive; 8600 South East of 1300 East	Engineering & Operations	\$ 25,000.00
Sandy Hills CC	The sidewalk curb is cut on the corner(s) of 1540 East 8730 South	2		needs ped ramps and new waterway	1540 East 8730 South	Engineering	\$ 30,000.00
Sandy Hills CC	Sidewalk curb cut on the corner(s) of 1595 East 8850 South	3		needs ped ramps	1595 East 8850 South	Engineering	\$ 15,000.00
Sandy Hills CC	Add median island on 1300 East at Galaxy Drive	1		sight distance	Intersection of 1300 East and Galaxie Drive	Engineering	\$ 60,000.00
West Side	Cedar Hill Road Basin Improvements		4	SLCO Operations requested this project to help them access the basin and control the flows	Oquirrh Highlands Basin Park, 5920 W Cedar Hill Road (approx. 6635 S)	Engineering	\$ 80,000.00
Granite Community Council	Sidewalk, Creek Road 2520 E to 2542 E		5	Partially fills sidewalk gap, requested by school district, lots of trees	Creek Road, 2520 E to 2542 E	Engineering	\$ 300,000.00
Sandy Hills Community Council	Sidewalk, Curb, and Gutter on the South side of 8420 South Street, near Mesa Drive (address 8430 South Mesa Drive), side of the house on the hill	4	6	[it is a gap, but not a high priority- ranks low on the needs list, requires large retaining wall, \$\$\$]	8430 South Mesa Drive	Engineering	\$ 375,000.00
West Side	Reconfigure Arnold Hollow Road intersection with Rose Canyon Road		7	sight distance [would need to purchase land to reconfigure private road]	Intersection of Arnold Hollow and Rose Canyon Road	Engineering	\$ 600,000.00
Total							\$ 2,235,000.00
