Interlocal Cooperation Agreement

THIS INTERLOCAL COOPERATION AGREEMENT (this “*Agreement*”) is made effective this ___ day of _____, 2022, by and between **SALT LAKE COUNTY**, a body corporate and politic of the state of Utah (the “*County*”), and **CITY OF TAYLORSVILLE**, a Utah municipal corporation (the “*City*”).

RECITALS:

A. UTAH CODE ANN. § 11-13-202 provides that any two or more public agencies may enter into an agreement with one another for joint or cooperative actions.

B. UTAH CODE ANN. § 11-13-214 provides that any public agency may convey property to or acquire property from any other public agencies for consideration as may be agreed upon.

C. The City and the County are public agencies as contemplated in the above referenced sections of the Utah Code (more specifically referred to as UTAH CODE ANN. § 11-13-101, *et seq.* - Interlocal Cooperation Act).

D. The conveyance of property provided herein is an interest in real property as contemplated in the Interlocal Cooperation Act.

E. The County owns a parcel of real property known as Skyview Detention Basin Park located at approximately 6425 South 4015 West (Parcel No. 21-20-151-003), which is real property in the public use as a storm water detention basin and public park. In 2002, the County granted the City a perpetual easement over a portion of the Skyview Detention Basin Park to construct a storm drain pipeline and related flood control structures and appurtenances.

F. The County also owns two adjacent parcels of real property known as Taylorsville Park located at approximately 4731 South Redwood Road (Parcel Nos. 21-10-201-035 and 21-10-201-036), which are in the public use as a public park. The land for Taylorsville Park was acquired using federal Land Water Conservation funds and is subject to restrictions on use.

G. Skyview Detention Basin Park and Taylorsville Park are collectively referred to as the “Parks.”

H. The County desires to formally transfer and convey the Parks to the City, and the City desires to formally take and receive the Parks from the County, for the purposes and on the terms and conditions set forth in this Agreement.

AGREEMENT:

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

Section 1. **Conveyance.** The County shall convey the Parks to the City via quitclaim deeds for the purpose of operating and maintaining neighborhood detention basins/neighborhood parks. The City shall be solely responsible for maintaining the Parks and shall repair or replace improvements thereon as necessary to maintain their current function and use.

Section 2. **Consideration.** County and City agree that in consideration of the mutual benefit afforded the citizens of City and County, the restrictions on use identified in Section 3, and the exchange of agreed upon consideration in accordance with Section 11-13-214 of the Interlocal Cooperation Act, the County will convey the Parks to City as outlined above.

Section 3. **Use Restriction.** The Parks shall be used by City solely for public park or storm water control purposes as follows:

A. The quitclaim deed conveying the Skyview Detention Basin Park (“Skyview Deed”) shall include a perpetual restriction requiring the Skyview Detention Basin Park to be used by City or its successors in interest solely as a public park or open space, and in the event City ceases using any portion of the Park as a public park or open space, the Park will revert to County in its entirety. If the County elects to exercise this reversionary right, the County shall compensate the City for the depreciated value of its capital investment in Skyview Detention Basin Park during the time the park was owned by the City, excluding any funds that the City obtained from the County and applied toward such capital investment. In addition, the Skyview Deed shall include a perpetual restriction requiring Skyview Detention Basin Park to be used as a detention basin unless or until storm water is redirected to another location. The form of the Skyview Deed is attached hereto as Exhibit A.

B. The quitclaim deed conveying the Taylorsville Park (“Taylorsville Deed”) shall include a perpetual restriction requiring the Taylorsville Park to be used by City or its successors in interest solely as a public park or open space, and in the event City ceases using any portion of Taylorsville Park as a public park or open space without complying with federal Land Water Conservation laws and regulations and replacing the portion of Taylorsville Park that it ceases to use a public park or open space with an equally sized area within City boundaries, Taylorsville Park will revert to County in its entirety. If the County elects to exercise this reversionary right, the County shall compensate the City for the depreciated value of its capital investment in Taylorsville Park during the time the park was owned by the City, excluding any funds that the City obtained from the County and applied toward such capital investment. Language shall also be included in the Taylorsville Deed to specifically refer to the federal Land Water Conservation regulations. The form of the Taylorsville Deed is attached hereto as Exhibit B.

Section 4. **Operation of Detention Basin.** Upon transfer of the Skyview Detention Basin Park to City, City shall be solely responsible for the operation and maintenance of the detention basin located thereon. Unless otherwise provided for in a separate maintenance agreement between City and County, City shall indemnify County from and against all liabilities, claims, damages, losses, suits, judgments, causes of action, liens, fines, penalties, costs, and expenses (including, but not limited to, court costs, attorneys’ fees, and costs of investigation) directly or indirectly arising out of, caused by, or resulting from, in whole or in part, City’s operation and maintenance of the detention basin on Skyview Detention Basin Park or any act or

omission of City, any independent contractor retained by City, or anyone directly or indirectly employed by them, while working on and/or maintaining the detention basin.

Section 5. **Duration and Termination.** This Agreement shall take effect upon execution and terminate upon the performance by the Parties of all the obligations described herein. The Parties intend that the conveyance of the Parks shall be accomplished promptly. Any provision of this Agreement which contemplates performance subsequent to the exchange of title to real property contemplated by this Agreement shall so survive such exchange of title and shall continue in full force and effect until fully satisfied, but in no event shall this Agreement have a term longer than fifty (50) years.

Section 6. **Additional Interlocal Act Provisions.** In compliance with the requirements of the Act and other applicable law:

(a) **No Interlocal Entity.** The Parties agree that they do not by this Agreement create an interlocal entity.

(b) **Joint Board.** As required by UTAH CODE ANN. § 11-13-207, the Parties agree that the cooperative undertaking under this Agreement shall be administered by a joint board consisting of the County's Mayor or designee and the City's Manager or designee. Any real or personal property used in the Parties' cooperative undertaking herein shall be acquired, held, and disposed of in accordance with this Agreement.

(c) **Financing Joint Cooperative Undertaking and Establishing Budget.** There is no financing of joint or cooperative undertaking and no budget shall be established or maintained.

(e) **Copies.** Duly executed original counterparts of this Agreement shall be filed with the keeper of records of each Party, pursuant to UTAH CODE ANN. § 11-13-209.

(f) **Manner of Acquiring, Holding or Disposing of Property.** The Parks shall be acquired, held or disposed of pursuant to the terms of this Agreement and unless agreed to herein shall not be used in a joint or cooperative undertaking.

Section 7. **General Provisions.** The following provisions are also integral parts of this Agreement:

(a) **Binding Agreement.** This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the respective Parties hereto.

(b) **Captions.** The headings used in this Agreement are inserted for reference purposes only and shall not be deemed to define, limit, extend, describe, or affect in any way the meaning, scope or interpretation of any of the terms or provisions of this Agreement or the intent hereof.

(c) Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signatures upon any counterpart were upon the same instrument. All signed counterparts shall be deemed to be one original.

(d) Severability. The provisions of this Agreement are severable, and should any provision hereof be void, voidable, unenforceable or invalid, such void, voidable, unenforceable, or invalid provision shall not affect the other provisions of this Agreement.

(e) Waiver of Breach. Any waiver by either Party of any breach of any kind or character whatsoever by the other, whether such be direct or implied, shall not be construed as a continuing waiver of or consent to any subsequent breach of this Agreement.

(f) Cumulative Remedies. The rights and remedies of the Parties hereto shall be construed cumulatively, and none of such rights and remedies shall be exclusive of, or in lieu or limitation of, any other right, remedy, or priority allowed by law.

(k) Exhibits and Recitals. The Recitals set forth above and all exhibits to this Agreement are incorporated herein to the same extent as if such items were set forth herein in their entirety within the body of this Agreement.

(l) Governmental Immunity. Both Parties are governmental entities under the Governmental Immunity Act, UTAH CODE ANN. § 63G-7-101, *et seq.* (the “Immunity Act”). Consistent with the terms of the Immunity Act, the Parties agree that each Party is responsible and liable for any wrongful or negligent acts which it commits or which are committed by its agents, officials, or employees. Neither Party waives any defenses or limits of liability otherwise available under the Immunity Act and all other applicable law, and both Parties maintain all privileges, immunities, and other rights granted by the Immunity Act and all other applicable law.

(m) Ethical Standards. The Parties hereto represent that they have not: (a) provided an illegal gift or payoff to any officer or employee, or former officer or employee, or to any relative or business entity of an officer or employee, or relative or business entity of a former officer or employee of the other Party hereto; (b) retained any person to solicit or secure this Agreement upon any contract, agreement or understanding for a commission, percentage, brokerage or contingent fee, other than bona fide employees of bona fide commercial agencies
