Discussion/Direction

Ms. Catherine Kanter, Deputy Mayor of Regional Operations, reviewed a resolution designating a recreational area for the potential funding of public safety services in the Wasatch Mountains; providing for the use of County general funds to support such public safety services; and establishing the boundaries of the area.

A memorandum was sent to the Council, providing the findings on how this recommendation was arrived at. A statutory provision allows the Council to designate the recreation area as long as certain conditions are met, i.e. the area have fewer than 1,500 residents, be used primarily for recreational purposes, and be used by residents of unincorporated and incorporated areas. The Mayor's Office, in consultation with the District Attorney's Office concluded those conditions were met.

This is the first step in a two-step process. The next step would be to appropriate funding, which could be part of the upcoming budget process.

A motion was made by Council Member Bradshaw, seconded by Council Member Newton, that this agenda item be approved and forwarded to the 4:00 p.m. Council meeting for ratification. The motion carried by a unanimous vote.
