Invocation - Reading - Thought

Pledge of Allegiance

**Council Member Bradshaw** led the Pledge of Allegiance to the Flag of the United States of America.

**2. CITIZEN PUBLIC INPUT**

**Mr. John Jackson** stated laws regarding methamphetamine and methamphetamine houses are targeting property owners and landlords. If a property is raided and police find methamphetamine or paraphernalia there, the property is shut down, the owner is charged a \$10,000 fee for the cleanup, the belongings in the home may be thrown away, and in some cases the owner loses the whole property, whereas the drug user may or may not be ticketed and they walk away. Laws should punish the people who are committing the crimes, not the homeowners and landlords. The U.S. Constitution guarantees Americans against unreasonable searches and seizures, and these laws are a violation of that constitutional right.

**Mr. Robert Comstock** stated Idaho and Utah housing costs are increasing faster than anywhere else in the United States. He asked that the County propose or attempt to pass rent control as a solution to stopping the rising rate increases. Rent control is not a communist plot or socialism; it gives people the ability to have shelter, rather than being homeless.

**Council Member Bradshaw** stated the County Council does not have the authority to implement rent control. That would be up to the State Legislature.

**Mr. Lawrence Horman** handed out a packet about the Deseret Defiant Initiative, a

political movement to bring awareness to homelessness and homeless individuals. He also reviewed a list of myths of homelessness, reading one point about why beggars have to be choosers because they do not have the ability to buy basic needs.

10. The County Council further provides notice to the Director and Mayor that the County Council does not intend to extend the state of emergency for any longer than is necessary for the limited purpose of seeking full reimbursement of the County’s expenses from the federal government. 11. This Resolution shall be provided to the State of Utah, the Mayor, and the Director and shall be filed immediately with the Salt Lake County Clerk and published by general dissemination as appropriate.

RESOLUTION NO. 6005

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL APPROVING THE ACQUISITION OF A FEE INTEREST IN CERTAIN REAL PROPERTY FROM STEEL COATINGS INC., AS PART OF THE SURPLUS CANAL PROJECT AND THE TRANSFER OF A PORTION OF THE COUNTY'S EXCESS REAL ESTATE INTEREST IN ADJACENT PROPERTY TO STEEL COATINGS INC.

RECITALS

- A. Salt Lake County ("County") is responsible for the operation and maintenance of the Surplus Canal, which is designed to divert water from the Jordan River to control flood flows.
- B. Over the years, the County has acquired various types of interest from private property owners for the Surplus Canal's existing location.
- C. The County is currently working on a project to clarify and make its real property interests along the Surplus Canal uniform and remove encroachments into the Surplus Canal's levee system.
- D. Steel Coatings Inc. (the "Owner") owns a few parcels of real property located in Salt Lake City that are adjacent to the Surplus Canal where the interests of the County need to be clarified and encroachments removed (the "Owner's Property").
- E. The County has interests over portions of the Subject Property, including easements for the purpose of maintaining the Surplus Canal (the "Historical Interests"); however, to meet its commitments to maintain the Surplus Canal, the County now needs to perfect its ownership interest in fee to a specified portion of the Owner's Property that is affected by these

Historical Interests.

F. There are portions of the Owner's Property that are subject to the Historical Interests where the County is not seeking to acquire a fee interest. The County is willing to release any right, title, or interest it may have in these excess portions of the Historical Interests in the Owner's Property back to the Owners by delivering quitclaim deeds covering these specified areas.

G. Following negotiations, the County and the Owner have negotiated a Right of Way Contract (the "Contract") to address the County's acquisition of portions of the Owner's Property (the "Acquisition Parcels") in exchange for a payment of \$412,500. The Contract is attached hereto as Exhibit 1.

H. According to the Contract, the parties have agreed that the Owner will convey the Acquisition Parcels to the County by two quitclaim deeds ("Owner's Deeds"). The Owner's Deeds are attached to the Contract as Exhibit A.

I. To clear up any cloud on the Owner's remaining title, the County will quitclaim to the Owners any excess interest it may hold by virtue of the Historical Interests in the Owner's remaining Property (the "Excess Interests") via two quitclaim deeds (the "County Deeds"). The County Deeds are attached hereto as Exhibit 2-A and 2-B.

J. It has been determined that the best interests of the County and the general public will be served by accepting the Owner's Deed from the Owner and quit-claiming the Excess Interests to the Owner. This transaction will be in compliance with all applicable state statutes and county ordinances.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council (the "County Council") that the County's Excess Interests are hereby declared available for disposal.

IT IS FURTHER RESOLVED by the County Council that the Contract between the County and the Owner is hereby approved and the Mayor is hereby authorized to execute the Contract and deliver the fully executed document to the County Real Estate Section.

IT IS FURTHER RESOLVED by the County Council that upon receipt of Owner's Deeds from Owner directly or through a scheduled closing, the

Mayor and Clerk are authorized to execute such other documents as may be reasonably necessary to effectuate the terms of the approved Contract, including the County Deeds, and to deliver such fully executed documents to the County Real Estate Section for processing in accordance with the terms of the Contract.

**Council Member Stringham** asked what the purpose was for purchasing this property, and stated it was her understanding Emigration Canyon has an easement on it.

**Mr. Derrick Sorensen**, Manager, Real Estate Section, stated this property has been of interest to the County for many years. It borders all open space and Salt Lake City’s watershed, and it is the last parcel up Killyon’s Canyon that adjoins those. The intent is to potentially expand the trail system and preserve it as open space. It will also allow for people to park there without getting cited and towed. Two years ago, the County was able to get property from this owner for a fire turnaround. The roadway system and turnaround are not on this piece of property. There are no easements on the

property. The County acquired the fee interest, and it put up a fence to delineate the line

**Council Member Stringham** stated this property does not meet the requirements for a trailhead. She asked that Emigration Metro Township be involved in anything that would impact the road.
