IATSE Local 99 is a labor force that sometimes does stage work in the theatre I am employed at. Prior to my employment with Salt Lake County, I used to do work for them so I could grow and advance in the industry. Since I have been hired by Arts & Culture, I rarely take any outside work, but do act as a trustee for them, which involves meeting with the other trustees and the financial secretary to ensure their financial records are correct. I will perform these duties until the next officer election, when I intend to not run again. I won't run again because my Technical Director job is my first priority and I don't feel I have the time to devote to the local, and feel I should pass on the responsibilities to someone else.
