Salt Lake County

To Whom it may concern

This is a request to approve the appointment of Taylor Weavil to the Sugar House Park Authority (SHPA) Board.

A vacancy on the board was created by the resignation of board member Joedy Lister. In November 2016, Mr. Lister notified SHPA that he is relocating out-of-state. Applicants for the position were recruited, and were interviewed in SHPA's February 12, 2017 meeting.

Influenced by Ms. Weavil's widespread network in the running community, her race management experience and her knowledge and appreciation of the park, the Board approved her appointment. This appointment is subject to review and approval by Salt Lake City Government.

This is a request to approve the appointment of Taylor Weavil to serve on the Sugar House Park Authority for the remainder of the term vacated by Joedy Lister, until May 19, 2020. Ms. Weavil's letter of application and resume are enclosed for your information.

Thank you for your attention to this request.

Sincerely,

Chad Anderson, President

To Whom it May Concern,

As a resident of the Sugar House area, a runner and a Cross Country Coach at Westminster College, I am writing to express interest in the open volunteer position on the Sugar House Park Board. With a Master's degree in Sport and Fitness Marketing and work centralized around the local running community, I am able to offer the board a unique skillset and perspective in the continued leadership of Sugar House Park.

Transplants from the Midwest, my husband and I have been residing in the Sugar House area since August 2012. During this time we have been fortunate to frequent Sugar House Park for running, evening walks, and the annual 4<sup>th</sup> of July Fireworks. With a new addition to our family, daughter Lucy Joy (whom Board Member Lucy Hansen assisted during a jaundice stay at Primary Children's this September), we look forward to many summer evenings watching her playing on the jungle gym as well.

Complimenting my personal use of the park, as the Assistant Cross Country and Track Coach at Westminster College, you can also find the team and me running workouts in the dew-covered grass most mornings in the fall. The team is incredibly fortunate to utilize the park as a collegiate training facility and recruiting tool!

As a result of my personal and professional use of the park, I have a high stake in the on-going success and maintenance of the area. Pairing this with my experience with running race management, sport and fitness marketing, and sales, I am confident I can add specific leadership to the board regarding the many fitness and running-event related uses of the park.

Experience aside, I am an engaging and hardworking individual, eager to become more involved in the Sugar House Community. I am highly organized and possess strong communication skills as well as business acumen. I would love the opportunity to work alongside the other board members to maintain this great park.

Thank you for your consideration.

Sincerely,

Taylor Christine Weavil
