Dear Ms. Kapp:

Rocky Mountain Power established the Global Days of Service program to support and encourage its employees to invest in our communities through volunteer activities. This program provides funds to match employee hours volunteered at nonprofit organizations in the communities where its employees live, work and serve.

For each hour of volunteer work employees performed between April 12, 2016, and April 11, 2017, the foundation contributes an hourly rate to the eligible organization on behalf of the volunteering employee.

Rocky Mountain Power Foundation is pleased to present Salt Lake County Division of Aging with a check for \$2,011 on behalf of the volunteer work provided by the employees listed on the enclosed sheet. We are proud that our employees have shared their volunteer time and talents with your organization, and we recognize their efforts through this donation.

Sincerely,

Dear Fidelity Grant Department,

Third Request!

We would like to thank you for the generous donation made on behalf of Stephen C. and Lynda M. Jacobsen to Salt Lake County Aging and Adult Services.

We have faxed two requests previously, April 13th and May 5th, for a Declaration of Gifts form to be filled out and signed by a representative of your company.
