

Dear Exec Committee Members,

An annual salary increase of \$5,000 has been proposed for Amber Liechty.

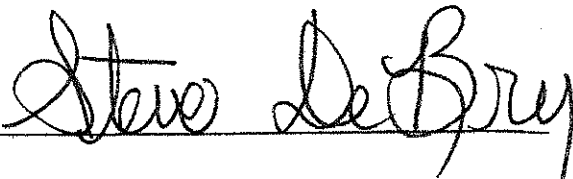

The suggested effective date is **July 1<sup>st</sup>, 2017**. The hourly increase would be ~\$2.40.  
We can absorb the cost, which would be half of the annual amount, within our 2017 budget.  
Please contact me if you have any questions.

**If you approve, we will add this item to the Council's consent agendas for July 14<sup>th</sup>**
