

# Metro Solutions Commission

*Concept Proposal*

County Resource Development Committee,  
as authorized in Utah State Code

Section 17-53-312

# Purpose

- Serve as advisory body to the County and local officials on the provisions and development of resources for future growth and economic development for Salt Lake County
- Advise on direction of long-term plans for land-use, economy, trade, transportation & other areas

# Commission Members

*Must be Salt Lake County residents and appointed by County Mayor  
with advice & consent of County Council*

County Mayor or representative

County Council

## Other Potential Members

Representing private  
business & industry

Representing citizens of  
Salt Lake County at large

Mayors based upon population &  
geographical representation of  
municipalities within  
Salt Lake County

Other potential commission  
members representing specific  
interests within the County

# Duties & Responsibilities

- ✓ Assist in planning/promoting development of Salt Lake County's natural resources, labor, economic development, infrastructure, transportation, long range & resource planning
- ✓ Advise on studies/make recommendations to Salt Lake County, municipalities & other agencies regarding county-wide planning, transportation, economic growth, infrastructure, trade, and other resource development

# Duties & Responsibilities

- ✓ Consider county-wide issues/provide a regional vision for Salt Lake County and municipalities and other agencies, and encourage coordination among municipalities, agencies, and other organizations to achieve goals for the greater good of the Salt Lake County area
