RE: Requests for waiver/refund of the penalty and interest imposed for late payment of 2017 or prior year's real property taxes (See list for recommendation, count 11)

Council Members:

The Property Tax Committee, at a meeting December 21, 2017 reviewed 11 requests for waiver/refund of the penalty and interest imposed for late payment of 2017 or prior year's real property taxes. The late penalty was appropriately imposed and should be upheld for eight of the requests and waived/refunded for three of the requests.

Real property tax is due and payable when billed. Salt Lake County Ordinance allows for waiver of the penalty if the appropriate application is made within sixty (60) days after the date of delinquency for property taxes and upon demonstration of the following factors: (a) failure to receive notice of the assessment or of the taxes due based upon an error by or the inability of the county where it is clear from the county records that such error arose solely as a result of the failure or inability of the county to implement information contained in the records; (b) medical circumstances which precluded the taxpayer from both making a timely payment and appointing an agent for such matters.

The attached list includes the individual recommendations of the Committee. All outstanding balances should be paid as billed by the Treasurer in order to avoid additional interest charges. A request to consider a waiver does not postpone the payment of the tax nor stop interest from accruing.

Upon your review please notify the Salt Lake County Treasurer of your final action.

Sincerely,

A handwritten signature in black ink, appearing to read 'Liz Fehrmann'.
