PROJECT DESCRIPTION

This is on the agenda at the request of Council Staff to **set a hearing date for May 22, 2018** to consider the request to amend the Southwest Community General Plan as well as the request to rezone the property from A-2 to P-C. The planning commission is scheduled to hold a hearing on the applications May 16, 2018. However, there is no guarantee the planning commission will make a recommendation at their meeting on the 16th. If the planning commission continues action on these items, it is advised that the Council's action on the 22nd be to continue the application as well.
