Dear Kendra,

Per our discussion in regards to the Council for Aging and Adult Services member whose second term ends August 2017; Danny Harris represents our community partner AARP. He has completed the two terms he is allowed per the council's by-laws. In an earlier conversation, you had stated that we might be able to extend a third term.

Representation from AARP is extremely important to not only to our council, but to the resources they provide to our division and more importantly the aging population of Salt Lake County. Their input on sensitive issues and guidance is very important as we move forward with the growing aging population in our county.

Per your request I have emailed Alan Ormsby, Utah State Director of AARP (Danny Harris's supervisor), and he has stated that Danny Harris is the best suited representative for AARP and requests he be allowed to remain on the council.

Therefore, we are requesting approval of Danny Harris for a third term on Salt Lake County's Council for Aging and Adult Services.

Thank you for your consideration and help with this matter.
