RE: Request by Fabio Galdi and Jareetip Primpay (taxpayers) for removal of a primary residential exemption and reimbursement to Salt Lake County, of unentitled funds pertaining to the primary residential exemption for tax years 2020 - 2021 on parcel 21-01-477-086-0000

Council Members:

The Treasurer and Council-Tax Administration have considered the request for the above-mentioned parcel, and recommend the request be granted.

The taxpayers stated they received the primary residential exemption for which they did not apply. The taxpayers maintain that the property was not their primary residence. Council-Tax Administration and the Treasurer are not relying on any information from other sources, other than the taxpayers' statement of ineligibility. They request the exemption be retroactively removed for the 2020 tax year. The taxpayers will submit a payment upon approval of this letter.

The amount of taxes that would have accrued if the exemption had not been in place are as follows:

Tax Year	Exemption Amount
2020	\$1,320.33
2021	\$1,662.42
Total	\$2,982.75

Based on the taxpayer's request, Council-Tax Administration and the Treasurer recommend the request to remove the exemption and accept the taxpayers' payment for the allegedly inaccurate exemption status of the prior year be granted. Upon receiving a signed waiver and tender of funds totaling \$2,982.75, the Treasurer shall consider the above payment in full of the retroactive removal of the residential exemption and may apply payment in a manner it determines appropriate. In tendering the payment, the taxpayers are waiving any right to contest the exemption status for the prior year, the enforceability of the tax debt, and any right to a refund of the amounts paid.

Sincerely,
