Pledge of Allegiance

Ms. Erin Litvack, Deputy Mayor of County Services, led the Pledge of Allegiance to the Flag of the United States of America.

2. CITIZEN PUBLIC INPUT

Mr. Steve Winters stated there will be an informational protest next Thursday on water fluoridation. The purpose is to educate the public. He requested Council Members prepare a statement on their thoughts regarding water fluoridation.

Mr. Lawrence Horman stated two weeks ago when he read a statement at the Council meeting he was nervous, because of public perception of homeless people. The homeless do not generally speak out in public meetings and other platforms because of fear of how they will be treated. Homelessness is progressive, and many do not realize they will be homeless until they are. Homeless programs should coordinate with each other to be more effective.

Mr. Frank Pedroza spoke about a recent experience at Meadowbrook Golf Course. The price of a bucket of balls has increased from \$10 to \$13. Additionally, wait times were longer than they needed to be because staff did not utilize opportunities to pair smaller groups. There should be more awareness of who is on the golf course. Meadowbrook could also benefit by having a marshal prompt people to move things along.

3. REPORT OF ELECTED OFFICIALS:

3.1. Council Members

Council Member Theodore stated she recently attended the South Jordan Summerfest and the Pride Parade in downtown Salt Lake City. She was able to walk with Council Member Stringham, representatives from Visit Salt Lake, and some other Republican candidates.

Council Member Stringham stated she enjoyed attending the Pride Parade and it was a good opportunity to march with her daughter who is transgender.

3.2. Other Elected Officials

3.3. Mayor

Mayor Wilson stated Council Member Bradshaw served as Grand Marshal of the Pride Parade on Sunday and did a great job. She has learned a lot from him while working with him, and she appreciated his friendship, leadership, and wisdom.

SECTION XII. Section 3.20.030 of the Salt Lake County Code of Ordinances, 2001, entitled “Procurements not requiring competitive procurement” is amended to read as

follows:

3.20.030 - Procurements not requiring competitive procurement.

A. All procurements shall be made by a request for bids, quotes or proposals, as provided in these ordinances, except the following circumstances do not require competitive procurement:

1. For purchases of goods and services under current contracts made available by governmental entities including federal, state, and local governmental entities, or by associations of governmental entities, where the goods or services were competitively procured by the governmental entity or the association in a manner substantially compliant with the provision of these ordinances, and the vendor is willing to extend the county the same or more favorable prices, terms, or conditions as established in, and within the scope of, the underlying agreement;
2. For real property, goods, or services related to construction of a public improvement project; which have been solicited via a formal advertised request for bids, but which the Purchasing Agent determines the bid prices are not reasonable and exceed the estimated construction cost by an unacceptable amount.
3. Exigency or emergency will not tolerate the delay incident to the formal advertising for a request for bids;
4. The aggregate amount involved does not exceed the small cost limit;
5. For a sole source procurement.
 - a. The determination as to whether a procurement shall be made as a sole source shall be made by the Purchasing Agent. Any agency request for a procurement to be restricted to one vendor shall be made in writing and accompanied by a sole source justification. The Purchasing Agent may specify the application of the determination and its duration. In cases of reasonable doubt, competition shall be solicited. Examples of circumstances which may necessitate sole source procurement are:
 - i. Where the most important consideration in obtaining a procurement item is the standardization or compatibility of equipment, materials, technology, software, accessories, replacement parts, or service;

ii. Where transitional costs are unreasonable or cost prohibitive;

iii. Where a procurement item is needed for trial use or testing;

b. Public notice for sole source procurements exceeding the formal advertised solicitation limit shall be given by the Purchasing Agent. The notice shall be published at least seven calendar days in advance of when responses must be received. The notice shall contain a brief statement of the proposed procurement, the proposed sole source supplier and the sole source justification. The notice shall invite comments regarding the proposed sole source and provide for a closing date for comments. The Purchasing Agent shall consider the comments received before proceeding with the sole source procurement.

6. Procurements that by their nature are not adapted to award by competitive procurement, such as:

a. Legal services or expert witnesses requested by the mayor, the council or the attorney or when the services of a medical doctor or dentist are requested by the attorney in conjunction with criminal or civil litigation, or requested by the sheriff or the human services department director, but the acquisition of legal services shall be governed by Chapter 2.09 of these ordinances;

b. The publication of legal notices, ordinances, resolutions, and other legal advertising;

c. The private placement of bonds, tax anticipation notes, or other instruments of indebtedness;

d. Utility services such as water, electricity, heat, and telephone, except when alternative supplies or services are available;

e. Dues and membership fees, non-software subscriptions, media advertising, magazines, books, trade journals, reference works, periodicals, examination or testing materials, and similar articles of an educational, informational or instructional nature. This subsection does not apply to right to use software and right to use licenses that some providers may describe as a software subscription;

f. Goods, materials, supplies and services utilized by the County clerk for

purposes of performing the duties of the County clerk with regards to elections;

g. Medicines or medical supplies, which are not generic in nature;

h. Goods and supplies purchased for authorized resale;

i. Perishable or nonperishable subsistence supplies;

j. Law enforcement service animals specially trained to assist law enforcement officers in the performance of law enforcement duties;

k. Entrance fees for conferences, training and seminars;

l. A person or entity to provide a speech, lecture, specialized training or performance;

m. Recreational program instructors resulting in recreational program agreements executed pursuant to county ordinance Section 3.28.020(E) provided that the division of parks and recreation adopt and follow a policy and procedure by which the recreational program instructors are selected.

7. Personal property or services, other than those outlined in subsection (A)(6), as the mayor may, upon the recommendation of the purchasing agent, determine to be, by their nature, not adapted to competitive procurement provided that these procurements be publicly noticed as set forth in 3.20.030(A)(5)(b).

8. Otherwise procurements authorized or prescribed by law.

B. In negotiating purchase orders and other contracts for the above-referenced categories of personal property or services, the Purchasing Agent, using agencies or such other person or committee as may be designated by the Mayor, shall ensure that:

1. All aspects of the business transaction are fully resolved, to include price, delivery date, delivery terms, acceptance period, warranties, funding terms, and such other terms and conditions as are appropriate;

2. The file reflects price or cost analysis or such other evidence of reasonable pricing and other information concerning contract or award matters as will reasonably support entering into a contract with a vendor;

3. All files relating to the award of a contract based upon public exigency reflect that the need was compelling and of unusual urgency, as when the County would be seriously injured, financially or otherwise, if the personal property or services to be purchased or contracted for were not furnished by a certain time, and when they could not be procured by that time by means of formal advertising. This applies irrespective of whether that urgency could or should have been foreseen;

4. The purchasing agent must justify in writing why the award of a contract based upon sole source is appropriate; and

5. Prior to submission of a bilateral contract to the mayor or designee for execution, the contract shall be reviewed and approved by the agency acquiring the personal property or services and by such other agencies as may be specified by ordinance and [~~approved~~] reviewed as to form by the attorney.

C. Negotiated procurement shall be on a competitive basis to the maximum practical extent. When a proposed procurement appears to be noncompetitive, the Purchasing Agent is responsible not only for ensuring that competitive procurement is not feasible, but also for acting whenever possible to avoid the need for subsequent noncompetitive procurement.

D. In the event bids for a construction project exceed available funds and the low responsive and responsible bid does not exceed such funds by more than twenty-five percent, the purchasing agent or agent's designee is authorized in situations where time or economic considerations preclude re-solicitation of work of a reduced scope, to negotiate an adjustment of the bid price, including changes in the bid requirements, with the low responsive and responsible bidder, in order to bring the bid within the amount of available funds.

E. This chapter shall not apply to the acquisition of personnel pursuant to the provisions of the County Personnel Management Act, as defined by Utah law, nor shall this chapter be applicable to the granting or issuance, pursuant to powers conferred by laws, ordinances or resolutions, of franchises, licenses, permits or other authorizations by the council, or by other agencies of the County. This chapter shall not be construed as authorizing the waiver of competitive bidding when such bidding is required by the provisions of any federal or state grant or relevant federal or state statute or regulation.

F. No purchase order or other contract greater than the Purchasing Agent's limit may be awarded pursuant to this section except by the Mayor or designee, unless it arises

pursuant to the provisions of subsection (A)(7) of this section, in which event the Purchasing Agent may award the purchase order or other contract subject to the ratification of the Mayor. The Purchasing Agent will maintain in a file a document explaining in detail why a purchase order or contract has not been bid and identifying the specific provision of this section which exempts the purchase order or other contract from the bidding requirement. Any procurement without competitive acquisition shall also include a statement from the acquiring agency explaining the recommendation for acquisition.

SECTION XIII. Section 3.25.020 of the Salt Lake County Code of Ordinances, 2001, entitled “Requests for applications (RFA)” is amended to read as follows:

3.25.020 - Request for applications (RFA).

Request for applications shall be prepared by the requesting agency. The agency shall establish a format to be used for the request for applications. The attorney may assist with the preparation of a request for applications. Prior to advertising, the agency shall obtain [approval] review as to form of any required contract terms by the attorney.

The requesting agency shall establish an application review committee for review of the applications.

A. All review committee members shall impartially review the submitted applications.

B. The actions of individual review committee members are governed by the provisions of the Salt Lake County Ethics Ordinance, Chapter 2.07, and the Unlawful Conduct and Penalties Part of the Utah Procurement Code, (Utah Code Ann. § 63G-61-2401 et seq.).

SECTION XIV. Section 3.28.020 of the Salt Lake County Code of Ordinances, 2001, entitled “Contracts management - Powers and duties” is amended to read as follows:

3.28.020 - Contracts management - Powers and duties.

A. The division of contracts and procurement shall act as a repository for all county contracts and purchase orders.

B. Upon receipt of a contract or contract preparation package from a county agency, the purchasing agent will:

1. Ensure that the contract is [~~approved~~] reviewed as to form by the attorney[~~s~~

office];

2. Ensure that the contract is reviewed and authorized by the director or director's designee of the requisitioning agency; and

3. Enter the contract in the county's financial system to ensure the availability of funds prior to the contract being used.

C. After the contract has been approved and entered into the financial system, the purchasing agent will send the contract to be executed by the mayor or proper signing authority. The purchasing agent will make available a fully executed copy of the contract to appropriate agencies and to the vendor or contractor. Additionally, a copy of the fully executed contract, the contract preparation package, and any other documents relevant to the establishment of the contract will be maintained by the contracts and procurement division.

D. Under circumstances approved by the purchasing agent and agreed to by the attorney, standard form contracts may be used. Contracts using a standard format prepared by the attorney[~~'s office~~] do not need to be individually [~~approved~~] reviewed as to form. The designation, "Standard Form Contract," form number, and date the standard form was [~~approved~~] reviewed shall be included in the contract title. Any alteration of the standard form language without [~~approval~~] review of the attorney shall render the agreement void and without effect which will be stated in an appropriate part of the contract. The attorney shall [~~approve~~] review as to form any changes to the boilerplate language in standard form contracts.

E. The purchasing agent may designate certain revenue agreements that the mayor or designee may execute without processing through the division of contracts and procurement, provided they are [~~approved~~] reviewed as to form by the attorney, and delivered to contracts and procurement after execution.

Examples of such agreements include:

1. Promoter's and facility or equipment rental agreements, and contracts for providing utility services, to exhibitors at the Salt Palace, South Towne Center, and Arts and Culture facilities;

2. Planetarium show distribution, and rental of equipment and facility rental contracts;

3. Recreation facility and equipment rental agreements, recreation facility license agreements, and recreational program agreements; and

4. Library facility and equipment rental agreements.

5. Senior Center rental agreements.

F. Agreements under the Interlocal Cooperation Act shall be executed as provided therein.

G. Each agency will administer the operation of its contracts.

SECTION XV. Section 3.28.060 of the Salt Lake County Code of Ordinances, 2001, entitled “Bilateral contracts - Preparation and documentation” is amended to read as follows:

3.28.060 - Bilateral contracts - Preparation and documentation.

Where a bilateral contract will serve as the contract:

A. Whenever the purchasing agent is responsible for acquiring goods or services where a bilateral contract is required by this chapter, the purchasing agent will obtain a contract. The purchasing agent may prepare a contract preparation package for the attorney. The contract package, if prepared, shall contain those documents and materials that the purchasing agent deems necessary to assist the attorney in preparing the contract. The attorney may request additional documents from the purchasing agent as necessary to prepare a contract. The purchasing agent will retain on file, by hard copy or computer system storage, the original requisition, request for bids or proposals, the evidence of publication, all bids or proposals submitted, a copy of any contract which is prepared and approved, and any other documents or correspondence relating to the acquisition as prescribed in retention schedule adopted pursuant GRAMA.

B. The attorney will draft the contract and [~~approve~~] review it as to form in accordance with this chapter. The purchasing agent will ensure that the contract is reviewed and approved by the requesting agency, and will have the contract executed by the vendor.

C. Whenever goods or services are to be acquired by the county pursuant to a request for proposals, the chair of the selection committee shall ensure that a contract preparation package is assembled and forwarded to the attorney[~~’s office~~] for [~~approval~~] review as to form . When a standard form contract is used without any alteration as provided in this chapter, no further [~~approval~~] review is necessary. The package shall include a copy of

the request for proposals, a copy of the successful proposal, and a copy of the proper signing authority's action. The Division of Contracts and Procurement will retain on file the original agency document requesting services, the request for proposals, all proposals submitted, resulting contract and any other documents or correspondence relating to the acquisition as prescribed in retention schedule adopted pursuant to GRAMA.

D. Whenever grant or service provider funds are being allocated to qualified recipient agencies, the director of the requesting agency shall ensure that a contract preparation package will include the request for proposals, the approved successful proposal, and a cover letter specifying any matters which need to be covered in the contract that may not be specified in the above documents. The director of the requesting agency will retain on file the request for proposals, the affidavit of publication, all proposals submitted, a copy of any contract which is prepared, and any other documents or correspondence relating to the acquisition of services or grant of funds.

E. Whenever public funds are to be expended for the construction of any public work or facility, the contracts and procurement division will ensure that a contract preparation package is assembled. The construction package will include the approved successful bid and a cover letter specifying any known matters which need to be covered in the contract that may not otherwise be set forth in the contract preparation documents. The contract package shall be forwarded to the attorney[~~'s office~~] for [~~approval~~] review as to form unless an attorney-~~[approved]~~ reviewed standard form contract is used without any alteration as provided I this chapter . Standard form bid, general and special conditions, and contract forms may be used if prepared as provided in Section 3.28.020. The division of contracts and procurement will retain on file a copy of the request for the construction services, the original request for bids, all bids submitted, a copy of any contract that is prepared, and any other documents or correspondence relating to the acquisition as prescribed in retention schedule adopted pursuant to GRAMA.

F. All awards shall be subject to the execution of a satisfactory contract.

SECTION XVI. Section 3.28.080 of the Salt Lake County Code of Ordinances, 2001, entitled "Approval of contracts as to form" is amended to read as follows:

3.28.080 - [~~Approval~~] Review of contracts as to form.

[~~A.~~] All contracts and contract amendments, except standard form contracts, shall reflect on each page to be signed that the same has been "[~~approved~~] reviewed as to form" by the attorney prior to submission to the proper signing authority for execution.

SECTION XVII. Section 5.22.040 of the Salt Lake County Code of Ordinances, 2001, entitled "Application for a business license" is amended to read as follows:

5.22.040 - Application for a business license.

Application for all mobile food businesses shall be made prior to the commencement of operation. The applicant shall submit the following information:

A. Name and address of applicant.

B. Name and address of the approved commercial supply source and primary licensed food establishment, if applicable.

C. License plate number.

D. A description of the preparation methods and food product offered for sale, including the intended menu, display, and distribution containers.

E. A description of the vehicle to be used in conducting business, and a description of any method to display food or products to be offered for sale.

F. The anticipated volume of food to be stored, prepared, and sold.

G. A valid copy of all necessary licenses or permits required by state or local health and transportation authorities.

H. A certificate of insurance produced by an insurance company or association authorized to sell insurance in Utah, on standard ACORD forms or forms ~~[approved]~~ reviewed as to form by the ~~[District A]~~ attorney, evidencing that the applicant has active insurance policies as required herein in full force and effect at the time of the application. Applicants shall purchase and maintain commercial auto insurance and commercial general liability insurance or a business owners policy (BOP) that includes auto liability, with coverage limits not less than the amounts required by Utah law. Such policy(s) shall include coverage of all motor vehicles used in connection with applicant's business. A current certificate of insurance shall be kept on file with the county at all times that applicant is licensed by the county, verifying such continuing coverage and naming the county as an additional insured. The certificate shall contain a statement that the county will be given written notification at least thirty days prior to cancellation or material change in coverage, without reservation of a non-liability for failure to so notify the county. Cancellation shall constitute grounds for revocation of the license issued hereunder unless

another insurance policy complying herewith is provided and is in effect at the time of cancellation/termination.

I. A signed statement that the licensee shall hold the county and its officers and employees harmless from any and all liability and shall indemnify the county and its officers and employees for any claims for damage to property or injury to persons arising from any activity carried on under the business license or health or transportation permit.

SECTION XVIII. Section 9.73.070 of the Salt Lake County Code of Ordinances, 2001, entitled "Policies and procedures" is amended to read as follows:

9.73.070 - Policies and procedures.

It shall be the responsibility of the advisory committee to develop and implement informal dispute resolution policies and procedures. Such policies and procedures may be subject to review and ~~[approval]~~ advice as to form and legality by the attorney~~['s-office]~~ and shall be ~~[reviewed-and]~~ approved by the board of health. The voluntary informal dispute resolution procedures shall provide for an advisory decision only. The advisory decision may not be appealed to the board of health or the mayor or council.

SECTION XIX. This ordinance shall become effective fifteen (15) days after its passage and upon at least one publication in a newspaper published and having general circulation in Salt Lake County.

RESOLUTION NO. 5982

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL AUTHORIZING EXECUTION OF A ROAD DEDICATION PLAT FOR THE DEDICATION AND CONSTRUCTION OF ROADS IN SALT LAKE CITY.

RECITALS

A. Salt Lake County (the “County”) owns or has an interest in several parcels of real property located between 7200 West and 8000 West along an area that is approximately the location of 700 North Street (the “Road Property”).

B. The Salt Lake County Real Estate Section has determined that the County acquired these ownership interests in the Road Property for road right-of-way purposes; however, this property has not been fully utilized for

road right-of-way purposes.

C. The County has been asked to dedicate its ownership interests in the Road Property as a road for the perpetual use of the public. A public road extending 700 North will be constructed on the Road Property and will be administered by Salt Lake City.

D. Two other private property owners are dedicating portions of their land adjacent to the Road Property to create a complete roadway width for this 700 North project.

E. The attached 700 North Roadway Dedication plat (the “Plat”) has been prepared to formally dedicate the Road Property as public rights-of-way. A copy of the Plat is attached hereto as Exhibit A.

F. It has been determined that the best interests of the County and the general public will be served by executing the Plat attached to this Resolution.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council that the Dedication Property is hereby declared available for disposal and may be dedicated for public use as public roads.

IT IS FURTHER RESOLVED by the Salt Lake County Council that the Plat, attached hereto as Exhibit A, is hereby approved, including permitting the Dedication Property to be dedicated to the public for use as public roads, and the Mayor and County Clerk are hereby authorized to execute the Plat for recording.

RESOLUTION NO. 5983

A RESOLUTION OF THE SALT LAKE COUNTY COUNCIL AUTHORIZING EXECUTION OF AN INTERLOCAL AGREEMENT WITH THE UNIFIED FIRE SERVICE AREA FOR THE TRANSFER OF REAL PROPERTY HELD IN THE NAME OF THE SALT LAKE COUNTY LIBRARY BOARD.

RECITALS

A. Salt Lake County Library Board (the “Board”) is the owner of record of a small 4.75 foot-wide strip of real property located at approximately 650 West Price Street, Midvale, Utah (the “Strip Parcel”).

B. In 2000, Salt Lake County (the “County”) acting with an on behalf of the Board transferred title to several parcels of real property located in Midvale, Utah, known as the Midvale Library (the “Library Property”) to Midvale City (the “City”) through an Interlocal Agreement (“Midvale Library Agreement”). The Strip Parcel is immediately adjacent to the Library Property.

C. In 2013, the City conveyed the Library Property and several other adjacent parcels (not including the Strip Parcel) to the Salt Lake Valley Fire Service Area (“SLVFSA”). The Unified Fire Service Area (“UFSA”), the successor to SLVFSA, is currently constructing a new fire station at this location (the “Fire Station”).

D. While constructing the new Fire Station, UFSA discovered that the Board still holds title to the Strip Parcel, which contains a retaining wall and fencing.

E. UFSA has requested that the County transfer title to the Strip Parcel so that it can incorporate that area into the Fire Station.

F. It appears that though the Strip Parcel was directly connected to the Library Property, it was not included with the other parcels constituting the Library Parcel in the Midvale Library Agreement when the land was transferred to the City.

G. The Board concurs with this conclusion, has no further use of the Strip Parcel, and has recommended for approval the transfer of the Strip Parcel to UFSA for no fee.

H. It has been determined that the best interests of the County and the general public will be served by entering into the attached Interlocal Agreement for the transfer of the Strip Parcel to UFSA. The execution of said Interlocal Agreement will comply with all applicable state statutes and County ordinances.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Salt Lake County Council that the Strip Parcel is hereby declared available for disposal and may be transferred to UFSA.

IT IS FURTHER RESOLVED by the Salt Lake County Council that the Interlocal Agreement is accepted and approved, and the Mayor is hereby authorized to execute the Interlocal Agreement on behalf of Salt Lake County and to sign all other documents, reasonably necessary to comply with the County's obligations contained in the Interlocal Agreement.
