Qualifications

Please tell us about yourself.

For almost 10 years I've been involved in community engagement efforts, specifically around getting people to vote in local and presidential elections. Now as Mayor, I've continued those engagement efforts in a new form by trying to bring more resources to Midvale residents, which I believe the Board of Health is a perfect fit to do this with.

Why are you interested in serving on a board or commission?

The Utah Department of Health's Health Improvement Index ranks Midvale 84th out of 99 areas which means we are considered to have very high health disparities. I hope by serving on this board I can learn more about the health challenges our county faces and how to bring more health related resources to my residents.

What education, work experience, or volunteer experience do you have that applies to the board you are applying for?

10 years of community engagement experience with the Utah Democratic Party, several different political campaigns, and voter registration efforts. Further, as Mayor, my experience as an elected official will be somewhat unique to this board.

What unique perspectives could you bring to the board?

As young Mayor of a smaller and diverse community, as a father of three kids, and with 10 years of community engagement experience, this will bring a unique perspective to this board.
