RE: Request by Hayes Hope Dental Clinic to grant a personal property tax exemption as a charitable organization for the 2017 tax year on personal property account #173708
(Recommend deny)

Council Members:

The Property Tax Committee, at a meeting on June 21, 2018 considered a request to apply a personal property tax exemption as a charitable organization for the 2017 tax year on the above mentioned account. The committee recommends the request be denied.

The District Attorney's office determined the Claimant did not meet the exemption criteria on the real property for 2017 or 2018. It was initially determined they qualified for an exemption on the personal property for 2018, but further information was obtained that changed the qualification to a denial of the personal property exemption request for both 2017 and 2018.

Based on the available evidence, the Committee recommends that the Claimant's request for a personal property tax exemption as a charitable organization be denied for the 2017 tax year.

Sincerely,
