## ORGANIZATION OVERVIEW (which could include mission, history, and demographics served):

We invite, unite, and empower women of all faith to deal with life's challenges through faith, family, and community. And to share and receive hope, tools, and connection. It is time for women to gather together from all backgrounds and faith to celebrate our similarities and embrace our differences. The organization brings together these women and helps unite them together by talking, sharing, and providing tools for those things that impact us all. When we break down barriers and help others see each other for who we really are, including ourselves, women are strengthened to live in their purpose and bring their strengths to the world. This strength is then translated to their homes, their communities, and then eventually on a larger more global impact.
