

Department of Regional Transportation, Housing & Economic Development

2018 Overview

19 Goals & Strategies*

* - Still accepting public comment

Goal 2: *Explore and implement options for dedicated funding sources to assist the implementation of canyons capitol improvement projects and to provide ongoing support for maintenance & operations to support the growing demands of the canyons.*

Goal 3: *Support enhanced year round transit service to and within the Wasatch Canyons.*

Corridor Preservation

Change in use of funds facilitated by SB 136 (2018)

*Revision to 72-2-117.5 Local Highway Transportation
Corridor Preservation Fund (Effective May 8, 2018)*

“The Local Highway and Transportation Corridor Preservation Fund shall only be used to preserve a highway or public transit corridor that is right of way: in a county of the first or second class for a

- I. a state highway;
- II. a principal arterial highway;
- III. a minor arterial highway;
- IV. a collector highway in an urban area; or
- V. a transit facility

Two transit projects anticipated to be submitted in November 2018:

1. Extension of Red TRAX line in South Jordan; collaboration between South Jordan and UTA.
2. New rail connection along 400 South between 500 and 600 West.

Future Booking Pace ***for conventions and meeting through***
July 31st – Our sales team is 108% of goal! Our **2018** goal was a 6%
increase over 2017 (again we claimed Outdoor Retailer bookings in
2017), and 2017 was an all-time record year for future bookings in the
convention and meetings market.

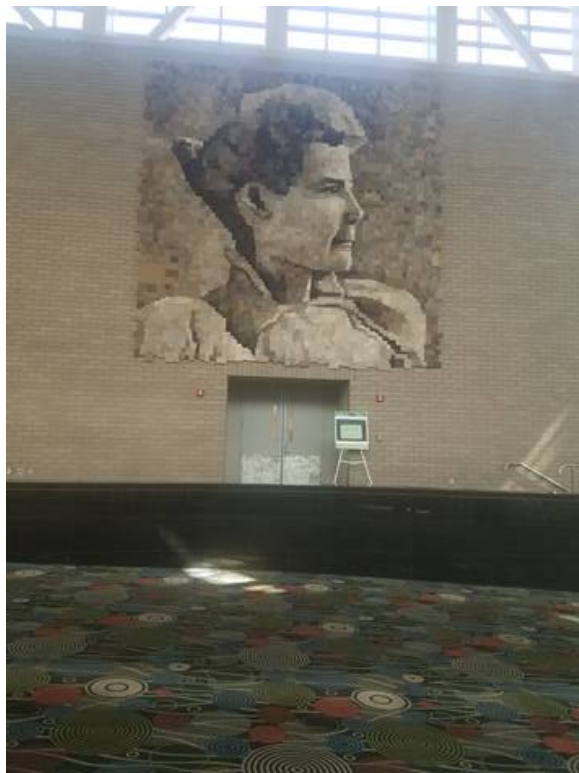

Mountain America Expo Center (MAX) Highlights

- New naming rights sponsor - Jan. 2018
- 226 events scheduled in 2018
- Strong attendance – strong revenue forecast
- Conducted facility analysis that looked at capital maintenance needs – center is relatively young & capital maintenance is projected low
- Received certification for sustainable practices and operations

Calvin L. Rampton Salt Palace Convention Center Highlights

- 176 events scheduled for 2018
- Hosted 4 major tech events – strong catering commissions for 2019...3 of 4 to return in 2019
- Conducted facility analysis that looked at capital maintenance needs – due to age of building some major maintenance requests anticipated in 2019
- Received certification for sustainable practices and operations
- Received “Monumental Mattie” as a donation from a local artist

Thank You!
