Description and justification: (Attach additional pages as needed.)\*

Due to some contractual issues at the end of 2017 and time to get a new vendor in place, Health's expenses for indigent burial services are projected higher than budgeted for 2018. This adjustment will move \$25K from the operational appropriation unit to meet the indigent burial services need for 2018. This is a budget neutral request, no Salt Lake County funding is requested.
