RE: Request by Kenneth Schriner to correct the County record for the value of his motor home for the 2016 and 2017 tax years. Personal property number 4UZFHCHYXECFW1599  
(Recommend grant)

Council Members:

The Property Tax Committee, at a meeting on September 20, 2018, considered the request for a value correction under U.C.A. 59-2-1321 on the above mentioned personal property. The committee recommends the request be granted.

The motor home was registered in Utah in 2016. At that time, the MSRP price was entered instead of the purchase price. The incorrect value was subsequently entered into the County database and remained for the tax years in questions. The discrepancy was not discovered until the Applicant paid the 2018 taxes. The 2018 tax year was corrected upon discovery.

Based on the available evidence, the Committee recommends that the Claimant's request be granted. A refund of approximately \$1,853.47 should be issued for the 2016 and 2017 tax years, with any necessary adjustments for penalty and/or interest paid or accrued, with the Treasurer's office to determine the final amount to be refunded.

Sincerely,

A handwritten signature in black ink that reads 'Brad Neff'.
