Dear Mr. Leggett:

We are writing to express approval to Salt Lake County Government, and its Division of Adult and Aging Services, to permit "Circles Salt Lake" to use the Friendly Neighborhood Senior Center, located at 1992 South 200 East, Salt Lake City 84190. Per our Lease Amendment, identified as County Contract No. AE1117C, Salt Lake County Government has our approval to grant this use for a period of one year. As a part of this approval, we request that Circles Salt Lake work with Housing Authority staff to inform public housing participants of their program/services to ensure overlap and mutual benefits for their use of the space.

We look forward to the expanded partnership and appreciate the County's efforts to ensure that our tenants have access to community engagement opportunities.

Sincerely,

  
Kimberly Wilford  
Deputy Executive Director
