## Northwest Recreation and Community Center Advisory Board

Traditionally the board's mission and by-laws required that Northwest Recreation and Community Center Advisory Board funds be put towards the improvement of recreation facilities and programs, enhancement of the public use of the building, the purchasing of needed building and grounds equipment, etc. on the Northwest campus. With unanimous approval of the Board members we ask that these funds are designated for the following purposes, which will assist the center in carrying out its mission to the community.

1. \$14,000 for Cisco wireless AP with license, enclosure, cable, and labor. This project cost is based off of estimates given by Salt Lake County Information Services.
2. \$7,275 for reimbursement of youth scholarships previously approved by the board.
3. \$5,250 for new deck chairs in natatorium to address current lack of seating.
4. Remaining funds should be used for the purchase of outdoor game tables for courtyard, lobby game tables, or playground games for the childcare operation.
