RE: DISCONTINUATION OF DEFERRAL – MAY 2019 TAX SALE
Eriksson, Malia, Parcel # (24) 21-05-104-049-0000
(Recommend Approval)

Council Members:

The Property Tax Committee, at a meeting on November 15, 2018, reviewed an existing deferral for continuation. Participant continuation in the deferral program is based on continued eligibility and performance in meeting criteria established in payment plans previously approved by the Salt Lake County Council.

The participant above has not met the terms of their deferral agreement. The Committee recommends that the deferral be discontinued and that the property be certified for the May 2019 tax sale if the outstanding balance is not paid by March 15, 2019.

In order for the deferral to be reinstated, the participant must contact the Abatement Office, pay any amounts necessary, and fulfill all requirements to be in compliance with their deferral agreement.

An administrative fee of no less than \$250.00 will be added to any property that is certified for sale. The final tax sale is tentatively scheduled for May 23, 2019.

Please authorize the County Treasurer and County Auditor to make the appropriate notation to remove the deferral flag.

Sincerely,

Brad Neff, Chair
Property Tax Committee
