If the Tier I advisory board recommends to the county council that an extension is warranted, then the county council may award ZAP funds to such zoological facility or organization for a period of time. The designation, "Standard Form Contract," form number, and date the standard form was approved shall be included in the contract title. Any alteration of the standard form language without approval of the attorney shall render the agreement void and without effect which will be stated in an appropriate part of the contract. The attorney shall approve as to form any changes to the boilerplate language in standard form contracts.

E. The purchasing agent may designate certain revenue agreements that the mayor or designee may execute without processing through the division of contracts and procurement, provided they are approved as to form by the attorney, and delivered to contracts and procurement after execution.
