RE: Request by Utah Association of Elementary School Principals to grant a property tax exemption as an educational organization for the 2016-2017 tax years on parcel 28-08-102-052 and personal property account 175629 (Recommend grant)

Council Members:

The Property Tax Committee, at a meeting on February 14, 2019 considered a request to apply a property tax exemption as an educational organization for the 2016-2017 tax years on the above mentioned parcel and personal property account. The committee recommends the request be granted.

In November 2018, the District Attorney granted an exemption as a charitable organization for the 2018 tax year and recommended the approval of the exemption for the 2016-2017 tax years.

Based on the available evidence, the Committee recommends the Claimant's request be granted for an exemption for the 2016-2017 tax years. A refund of \$2,947.36 would be applicable for the real property along with any necessary adjustments for penalty and/or interest, with the Treasurer's office to determine the final amount to be refunded. The personal property has been 100% exempt since 2013, therefore no refund is applicable.

Sincerely,
