Unique qualifications and/or perspectives you would bring to a Board or Commission:

I have lived and worked in Millcreek for many years and am very familiar with the issues related to animals and particularly dogs in Millcreek. I have spent a great deal of time advocating for responsible dog ownership and am a strong believer in the education of pet owners as the best method to mitigate concerns.

Although I am no longer a dog owner, I understand the needs of pet owners and the pitfalls that can cause problems. As someone who in their work capacity has fielded many calls and assisted in solving complaints, I feel qualified to serve on the Animal Services Advisory Board.
