Davis County:	Service	Fee	Salt Lake County	Fee	Proposed Fee
	Davis County is based on whether patient has insurance or funds to pay. If they have neither they are tested and treated for no cost. If they have insurance, they are referred to their doctor. If they have funds to pay, they are referred to Midtown Clinic who charges \$28-\$32 total for the following: Chlamydia and Gonorrhea, HIV and Syphilis if MSM. If patient tests positive, they are sent back to Davis County for free treatment.				

Weber County:	Service	Fee	Salt Lake County	Fee	Proposed Fee
	<b>Blood Draws &amp; Lab Tests</b>				
	Chlamydia & Gonorrhea	\$35.00	Chlamydia & Gonorrhea	\$30	\$40
	Syphilis	\$35.00	IgG (Syphilis)	\$30	\$35
	HIV	\$15.00	HIV Confidential & Anonymous	\$30	\$30
Weber County will not take out of county patients. Tests only, there is no exam.
