Dear Taxpayer:

This is in response to your request of Aug. 12, 2015, regarding the tax-exempt status of YOUNG WOMENS CHRISTIAN ASSOCIATION OF UTAH .

Our records indicate that a determination letter was issued in April 1937, granting this organization exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Our records also indicate this organization is not a private foundation within the meaning of section 509(a) of the Code because it is described in section(s) 509(a)(l) and 170(b)(l)(A)(vi).

Donors may deduct contributions to this organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to the organization or for its use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

If you have any questions, please call us at the telephone number shown above,

# **Independent Auditor's Report**

The Board of Directors Young Women's Christian Association of Utah Salt Lake City, Utah

# **Report on the Financial Statements**

We have audited the accompanying consolidated financial statements of Young Women's Christian Association of Utah, which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Audit Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Young Women's Christian Association of Utah, as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

# **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information on pages 28 through 31 is presented for the purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

## **Other Matters**

#### **Other Information**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 29, 2018, on our consideration of Young Women's Christian Association of Utah's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Young Women's Christian Association of Utah's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Young Women's Christian Association of Utah's internal control over financial reporting and compliance.

# **Organization**

The Young Women's Christian Association of Utah (the Organization) is a private, nonprofit 501(c)(3) organization that is supported primarily through private charitable contributions, government grants and contracts, and earned revenue. The Organization provides programs and services that are consistent with its mission of eliminating racism, empowering women, and promoting peace, justice, freedom and dignity for all, as follows:

# **Family Violence Services**

Women in Jeopardy: 24-hour crisis line, 24/7/365 crisis shelter that provides safety, meets basic needs, and offers trauma-informed supportive services for women and children who are victims of domestic violence.

<u>Residential Self-Sufficiency</u>: safe, affordable transitional housing and supportive services for women without dependent children who are survivors of domestic violence.

<u>Children's Advocacy and Intervention</u>: age-appropriate, trauma-informed care for children and teenagers in residence (ages 6 to 19) who have been exposed to family violence. Services include maternal/child family support, licensed drop-in child care for infants and young children in residence, academic assistance, afterschool and summer camp program, mental health referrals, and other specialized intervention.

<u>KRH Supportive Services</u>: case management and other trauma-informed supportive services for low-income mothers and children living in the Kathleen Robison Huntsman (KRH) Apartments.

<u>Salt Lake Area Family Justice Center at the YWCA</u>: a collaborative partnership offering an array of confidential walk-in services to adult women and men in abusive relationships. Fourteen community partners offer a range of accessible, multi-disciplinary services in one central place.

<u>The Critchlow</u>: safe, affordable housing at the KRH for mothers and children who are survivors of domestic violence.

<u>YWBuilding Hope:</u> formed by and for the benefit of Young Women's Christian Association of Utah, including holding title to assets used by the Young Women's Christian Association of Utah for its Programs.

YWEmpowered: shelter and residence for women and children who have experienced family violence.

# "For Every Woman" Programming

<u>Lolie Eccles Early Education Center</u>: private, full-time, nationally accredited, state-licensed child care and early education for young community children from infancy through kindergarten.

<u>Week Without Violence</u>: an annual series of education and awareness activities designed to renew the search for alternatives and solutions to violence, and to strengthen our sense of personal and shared responsibility for keeping one another safe from harm.

<u>Stand Against Racism</u>: annual event to raise awareness and renew commitment to ending racism in our communities.

<u>Membership</u>: varied opportunities for members to engage meaningfully in the Organization's work through affinity groups, advocacy, education, leadership development, and service.

<u>Real Women Run at the YWCA</u>: a collaborative nonpartisan effort to empower Utah women to participate fully in public life and civic leadership through elected political office at all levels, appointments to public boards and commissions, participation in campaigns, and engagement in our political system.

<u>Women's Leadership Development</u>: YWEmpowered develops emerging leaders 18-35; annual Young Women's Leadership Summit empowers young professional women to succeed, benefit others, and create a better world; annual Outstanding Achievement Awards recognize outstanding Utah women for their significant professional and community accomplishments.

<u>Utah Women's Well-Being Initiative</u>: an effort to advance the well-being of Utah women across key dimensions of their lives through research, education, collaboration, and public policy – so that women flourish, their families and communities thrive, and Utah prospers. First research briefing, *The Well-Being of Women in Utah: An Overview*, in partnership with the Institute for Women's Policy Research, was released in May 2014.

<u>Advocacy</u>: mission-based issue education and public policy advocacy on local, state, and national levels to benefit Utah women and their families.

# **Principles of Consolidation**

The consolidated financial statements include the accounts of the Young Women's Christian Association of Utah, YW Building Hope, a nonprofit 501(c)(3) organization, the Critchlow, LLC (the Critchlow), a limited liability company, and YWEmpowered, LLC (YWEmpowered), a limited liability company. YWBuilding Hope and the Young Women's Christian Association of Utah share a governing board and the economic interests of the entities are inter-related. The Critchlow and YWEmpowered are wholly-owned by Young Women's Christian Association of Utah and YWBuilding Hope. All significant intercompany accounts and transactions have been eliminated in consolidation. Unless otherwise noted, these consolidated entities are hereinafter referred to as "YWCA."

# **Cash and Cash Equivalents**

YWCA considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, permanent endowment, or other long-term purposes of YWCA are excluded from this definition.

#### **Grants and Contracts Receivable**

YWCA receives substantial funding through federal, state, and other grants and contracts. The majority of these grants and contracts operate on a cost reimbursement basis. Generally, accounts receivable and the related revenues are recorded when the applicable expenses to grant awards have been incurred. Certain grants require that the YWCA match the funds received with other funds in varying percentages.

#### **Promises to Give**

Unconditional promises to give, expected to be collected within one year, are recorded at net realizable value. Unconditional promises to give, expected to be collected in future years, are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. At June 30, 2018 and 2017, the allowance for uncollectable promises to give was \$28,100 and \$13,025, respectively.

# **Property and Equipment**

Property and equipment additions over \$500 are recorded at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 2 to 40 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

YWCA reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2018 and 2017.

## **Investments**

Investment purchases are recorded at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the consolidated statements of financial position. Return on investments is reported in the consolidated statements of activities and consists of interest and dividend income and realized and unrealized capital gains and losses. Investment management and custodial fees are reported as expenses in the accompanying consolidated statements of activities.

# **Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Unrestricted Net Assets* – Net assets available for use in general operations. The use of the unrestricted board-designated net assets is determined by the Board of Directors.

Unrestricted board-designated net assets at June 30, 2018 and 2017 consist of the following:

	2018			2017	
Note payable sinking fund surplus cash from the Critchlow cong-term investments	\$	70,441 63,792 1,064,552	\$	63,585 63,792 1,027,034	
	\$	1,198,785	\$	1,154,411	

Temporarily Restricted Net Assets – Net assets subject to donor restrictions that may or will be met by expenditures or actions of YWCA and/or the passage of time, and certain income earned on permanently restricted net assets that has not yet been appropriated for expenditure by YWCA's Board of Directors.

YWCA reports contributions as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently Restricted Net Assets — Net assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by action of YWCA. The restrictions stipulate that resources be maintained permanently but permit YWCA to expend the income generated in accordance with the provisions of the agreements and/or YWCA investment policies.

# **Revenue and Revenue Recognition**

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All tenant leases are operating leases. An allowance for losses on tenant receivables is estimated based on the age of the receivable and its likelihood of being collected.

# **Donated Services and In-Kind Contributions**

Volunteers contribute significant amounts of time to YWCA's program services, administration, and fundraising and development activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. YWCA records donated professional services at the respective fair values of the services received.

# **Functional Allocation of Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Also included in program services are costs associated with the management and operation of the Critchlow, a low-income housing project.

# **Income Taxes**

The Young Women's Christian Association of Utah and YWBuilding Hope are organized as Utah nonprofit corporations and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as organizations described in Section 501(c)(3), qualifying for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and have been determined not to be private foundations under Section 509(a)(1). The Critchlow and YWEmpowered are limited liability companies. As such, the tax effects of the entities' activities accrue directly to their members and no tax provision is recorded in the accompanying consolidated financial statements. The Young Women's Christian Association of Utah and YWBuilding Hope are annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, these entities are subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The Young Women's Christian Association of Utah and YWBuilding Hope have determined they are not subject to unrelated business income tax and have not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The YWCA believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The YWCA would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

# **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

# **Financial Instruments and Credit Risk**

YWCA manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, YWCA has not experienced losses in any of these accounts. Credit risk associated with accounts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from board members, governmental agencies, and foundations supportive of YWCA's mission. Investments are made by diversified investment managers whose performance is monitored by management and the Finance Committee of the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Finance Committee believe that the investment policies and guidelines are prudent for the long-term welfare of YWCA.

# **Subsequent Events**

YWCA has evaluated subsequent events through October 29, 2018, the date the financial statements were available to be issued.

#### Note 2 - Restricted Cash

Restricted cash is available for the following purposes at June 30, 2018 and 2017:

	2018			2017

	\$	1,073,048	\$	879,053	

# **Note 3 - Fair Value Measurements and Disclosures**

Certain assets are reported at fair value in the consolidated financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that YWCA can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, YWCA develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to YWCA's assessment of the quality, risk or liquidity profile of the asset or liability.

Most of YWCA's investment assets are classified within Level 1 because they are comprised of open-ended fixed income securities and equities and mutual funds with readily determinable fair values based on daily redemption values. The U.S. Government obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates and market-rate assumptions, and are classified within Level 2.

The following table presents assets measured at fair value on a recurring basis, except those measured at cost as identified below, at June 30, 2018:

		Fair Value Measurements at Report Date Using

2021	2,400
2022	2,400
2023	2,400
Thereafter	1,339,000
	\$ 1,351,000

The note payable to the State of Utah Olene Walker Housing Trust Fund totaling \$170,000 at June 30, 2018 and 2017, and the note payable to Salt Lake City Corporation totaling \$287,750 and \$288,350 at June 30, 2018 and 2017, respectively (see Note 13), require that the KRH be used for low-income housing for a period not less than 51 years (December 2048).

The Olene Walker Housing Trust Fund obligation totaling \$225,600 and \$226,800 at June 30, 2018 and 2017 is a zero percent loan that requires annual payments of \$1,200 beginning on June 1, 2007 and continuing for 30 years, with the remaining balance of \$204,000 due and payable on June 1, 2037. During the term of the agreement YWCA is to operate a "teen home". If the teen home changes the policy of not charging rent to the residents of the teen home; or if there is a change in the use of the property, the note will be due and payable in full with accrued interest of 8% per annum on the unpaid balance, from the date any changes are made. In July 2009, the Organization received approval for a change of use of the property from a teen home to provide additional domestic violence shelter for young mothers and their children. Management has established reserves to retire the obligation and has designated the use of certain restricted cash for the note payments due in the future. The reserves are invested in a 12 month certificate of deposit with a balance totaling \$70,441 and \$63,585 at June 30, 2018 and 2017, respectively, and the amount is classified as restricted cash in the accompanying consolidated statements of financial position.

# Note 8 - Line of Credit

At June 30, 2018 and 2017 YWCA had borrowings under an unsecured bank line of credit totaling \$0. This line of credit has a maximum borrowing limit of \$700,000, with interest charged at the prime rate plus 1.0%. This line of credit is available until December 17, 2018.

# **Note 9 - Endowments**

YWCA holds permanently restricted contributions of \$388,791 and \$381,291 at June 30, 2018 and 2017, respectively, to provide funding for general operations according to policies established by the board. The amounts are reported as either long-term investments or promises to give in the consolidated statements of financial position.

The Board of Directors of YWCA has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2018 and 2017, there were no such donor stipulations. As a result of this interpretation, YWCA classifies as permanently restricted net assets (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts donated to the endowment (including promises to give net of discount and allowance for doubtful accounts, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. The remaining portion of the donor-restricted endowment is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by YWCA in a manner consistent with the standard of prudence prescribed by UPMIFA. YWCA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the organization

As of June 30, 2018 and 2017, YWCA had the following endowment net asset composition by type of fund:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
June 30, 2018				
Donor-restricted endowments	\$ -	\$ 64,349	\$ 388,791	\$ 453,140
June 30, 2017	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowments	\$ -	\$ 55,738	\$ 381,291	\$ 437,029

# Investment and Spending Policies

YWCA has adopted investment and spending policies for the endowment that attempt to provide a predictable stream of funding for operations while seeking to maintain the purchasing power of the endowment assets. Over time, long-term rates of return should be equal to an amount sufficient to maintain the purchasing power of the endowment assets, to provide the necessary capital to fund the spending policy, and to cover the costs of managing the endowment investments. The Board of Directors has established policies for the use of the income as follows: up to half of the annual earnings from the endowment investment funds can be used for operations if the total market value of the funds, excluding any contributions, additions and withdrawals initiated by the YWCA, is at least four percent higher than the preceding June 30<sup>th</sup> market value.

Changes in endowment net assets for the year ending June 30, 2018 are as follows:

#### **Note 10 - Restricted Net Assets**

Temporarily Restricted

Temporarily restricted net assets consist of the following at June 30, 2018 and 2017:

	 2018	 2017
Building construction and improvements	\$ 395,851	\$ 474,673
Low-income housing	380,000	380,000

	\$ 2,274,693	\$ 2,103,054

YWCA received a \$200,000 grant from the Redevelopment Agency of Salt Lake City for use in the construction of the KRH. The amount will remain as a grant as long as the Critchlow, LLC abides by the terms and conditions as outlined in the Declaration of Covenants, Conditions, and Restrictions and the terms and conditions provided for in the development agreement, and the use of the KRH is devoted to low-income housing for a period not less than 25 years (May 2022). If the Critchlow, LLC fails to abide by the restrictions, the grant of \$200,000 will convert to a loan with the following terms: the \$200,000 shall be immediately payable to the Redevelopment Agency of Salt Lake City together with interest on the principal at the rate of three percent per annum from the original date of the disbursement to the YWCA.

YWCA received a \$180,000 grant from the Federal Home Loan Bank of Seattle (the Bank) to be used in the construction of the KRH. The grant will remain as such as long as the Critchlow, LLC remains in compliance with the regulations and conditions of the Bank's Affordable Housing Program (AHP), including the use of the KRH for low-income housing for a period not less than 51 years (December 2048). If at any time the Critchlow, LLC falls out of compliance with the AHP regulations and conditions under which the grant was approved, the Bank may recapture the grant funds from the Organization. As of June 30, 2018, the Critchlow, LLC was in compliance with all regulations and conditions.

## Permanently Restricted - Endowment

Permanently restricted net assets are invested in cash, investments, and pledges receivable to be held indefinitely. Income from permanently restricted net assets is expendable to support the operations of YWCA as per YWCA investment policy. Accordingly, YWCA has recorded the earnings from these assets as temporarily restricted. The permanently restricted net assets balances, classified by restriction on the use of earnings, are as follows at June 30, 2018 and 2017:

	 2018	2017
General Legacy Bridge	\$ 198,863 189,928	\$ 198,863 182,428
	\$ 388,791	\$ 381,291

# Note 11 - Donated Professional Services and Materials

YWCA receives donated equipment, food, supplies, and other expendable items for use in its programs. These contributions totaled \$366,882 and \$554,653 for the years ended June 30, 2018 and 2017, respectively. The YWCA partners with two other nonprofit organizations on a special holiday project that secures new gifts for program participants of the three organizations. The YWCA does not record the value of donations received for these other nonprofit organizations.

# Note 12 - Employee Benefits

Eligible employees participate in the employer sponsored cash balance defined benefit retirement plan (the Plan) after two years of employment. The Plan is a multiple-employer retirement plan held and administered by the YWCA Retirement Fund, Inc. Under the Plan, employees' benefits are 100% vested immediately. Currently, YWCA's contribution is 7.5% of the eligible employee's gross annual wages. YWCA's expense for the retirement plan was \$144,634 and \$136,967 for the years ended June 30, 2018 and 2017, respectively.

# **Note 13 - Commitments and Contingencies**

The note payable to the State of Utah Olene Walker Housing Trust Fund totaling \$170,000 at June 30, 2018 and 2017, and the note payable to Salt Lake City Corporation totaling \$287,750 and \$288,350 at June 30, 2018 and 2017 (see Note 7), require that the KRH be used for low-income housing for a period not less than 51 years (December 2048).

The Organization received a \$200,000 grant from the Redevelopment Agency of Salt Lake City for use in the construction of the KRH. The amount will remain as a grant as long as the Critchlow, LLC abides by the terms and conditions as outlined in the Declaration of Covenants, Conditions, and Restrictions and the terms and conditions provided for in the development agreement, and the use of the KRH is devoted to low-income housing for a period not less than 25 years (May 2022). If the Critchlow, LLC fails to abide by the restrictions, the grant of \$200,000 will convert to a loan with the following terms: The \$200,000 shall be immediately payable to the Redevelopment Agency of Salt Lake City together with interest on the principal at the rate of three percent per annum from the original date of the disbursement to the Organization.

The Organization received a \$180,000 grant from the Federal Home Loan Bank of Seattle (the Bank) to be used in the construction of the KRH. The grant will remain as such as long as the Critchlow, LLC remains in compliance with the regulations and conditions of the Bank's Affordable Housing Program (AHP), including the use of the KRH for low-income housing for a period not less than 51 years (December 2048). If at any time the Critchlow, LLC falls out of compliance with the AHP regulations and conditions under which the grant was approved, the Bank may recapture the grant funds from the Organization. As of June 30, 2018, the Critchlow, LLC was in compliance with all regulations and conditions.

# Litigation, Claims, and Disputes

The YWCA is subject to the usual contingencies in the normal course of operations relating to the performance of its tasks under its various programs. In the opinion of management, the ultimate settlement of any litigation claims, and disputes in process will not be material to the financial position, operations, or cash flows of the YWCA.

## Note A – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the schedule) includes the federal grant award activity of the Young Women's Christian Association of Utah under programs of the federal government for the year ended June 30, 2018. The information is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Young Women's Christian Association of Utah, it is not intended to and does not present the financial position, changes in net asset, or cash flows of Young Women's Christian Association of Utah.

# Note B – Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. No federal financial assistance has been provided to a subrecipient.

#### Note C – Indirect Cost Rate

The Young Women's Christian Association of Utah has elected to use the de minimis cost rate.

# Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Young Women's Christian Association of Utah Salt Lake City, Utah

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Young Women's Christian Association of Utah, which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 29, 2018.

# **Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Young Women's Christian Association of Utah's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Young Women's Christian Association of Utah's internal control. Accordingly, we do not express an opinion on the effectiveness of Young Women's Christian Association of Utah's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given the limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Young Women's Christian Association of Utah's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly. we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance Required by the Uniform Guidance

The Board of Directors Young Women's Christian Association of Utah Salt Lake City, Utah

# **Report on Compliance for Each Major Federal Program**

We have audited Young Women's Christian Association of Utah's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Young Women's Christian Association of Utah's major federal programs for the year ended June 30, 2018. Young Women's Christian Association of Utah's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

# Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

# **Auditor's Responsibility**

Our responsibility is to express an opinion on the compliance for each of Young Women's Christian Association of Utah's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Young Women's Christian Association of Utah's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Young Women's Christian Association of Utah's compliance.

# **Opinion on Each Major Federal Program**

In our opinion, Young Women's Christian Association of Utah complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

# **Report on Internal Control over Compliance**

Management of Young Women's Christian Association of Utah is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Young Women's Christian Association of Utah's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Young Women's Christian Association of Utah's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
