Attn: Max Burdick, Chair

RE: Request by the Salt Lake County Auditor's office for a tax area correction for the 2019 tax year on parcels 14-23-450-001, 14-23-400-045, and 14-23-450-002 (Recommend grant)

Council Members:

On April 2, 2020 The Auditor's office determined the above three parcels were incorrectly classified. The Assessor's office subsequently filed documentation supporting the correction of the tax districts from 29W to 29J, as the deadline for filing and appeal with the 2019 Board of Equalization had passed. No value or other changes are warranted.

Based on the information provided, the Committee recommends the Auditor's office request to change the tax areas for the subject parcels to reflect the 29J tax area be granted.

Sincerely,

A handwritten signature in black ink that reads 'Brad Neff'.
