Name: 2020 Funding for Phased Hiring

Request Description: The presiding judge of Third District Court has notified our office that jury trials will resume as soon as they achieve certain criteria in relation to the COVID-19. When they receive clearance from the Health Department in relation to case numbers, they will provide notice of a start date. In order for our office to be prepared to adjudicate these cases in court, we must begin a phased hiring of prosecutors. Due to the budget cuts imposed at mid-year, we do not currently have the capacity to cover this expanded function. We have requested permission to fill 8 vacant prosecuting attorney positions by the end of 2020, the estimated cost of which is \$118,164. We are requesting the restoration of this 2020 funding so we can move ahead with candidate recruitment in anticipation of the court's resumption of the jury trial process.
