BHSAC Terms - A BHSAC member may not serve more than three (3) full consecutive terms, or a total of six (6) years. A 2-year initial term is standard; however, initial terms may vary to provide staggered expiration dates. Terms that expire during re-bids or other critical events shall have their terms automatically extended to the conclusion of that special event. Council members may resign at any time and vacancies may be filled for the remainder of the unexpired term by appointment of the Division/Mayor's Office through a specified selection process.

- **1-Year Term** - 1-year terms are not typical but done on occasion to stagger term dates. After first year, council members will have the option of renewing two additional terms totaling five years (one two-year term and one three-year term). Maximum of three terms totaling six years.
- **2-Year Term** - After initial 2-year term, council members will have the option of renewing two additional two year terms. Maximum of three terms totaling six years.
- **3-Year Term** - After initial 3-year term, council members will have the option of renewing one additional three year term. Maximum of two terms totaling six years.
