

Salt Lake County COVID-19 Health Response Vaccination Update

April 20, 2021

Update Summary

- Salt Lake County is currently meeting the challenge of mass vaccination.
- We have built a robust system to handle high volume but have not yet had the quantity of vaccine to fully utilize this system.
- Supply of vaccines to Salt Lake County from the Federal Government continues to be limited.
- We are continuing to expand outreach efforts to reach diverse and underserved communities through new “pop up clinics” using our mobile units.
- Planning is underway to vaccinate high school students 16 and older prior to end of school year.

Vaccine Priority Group Update

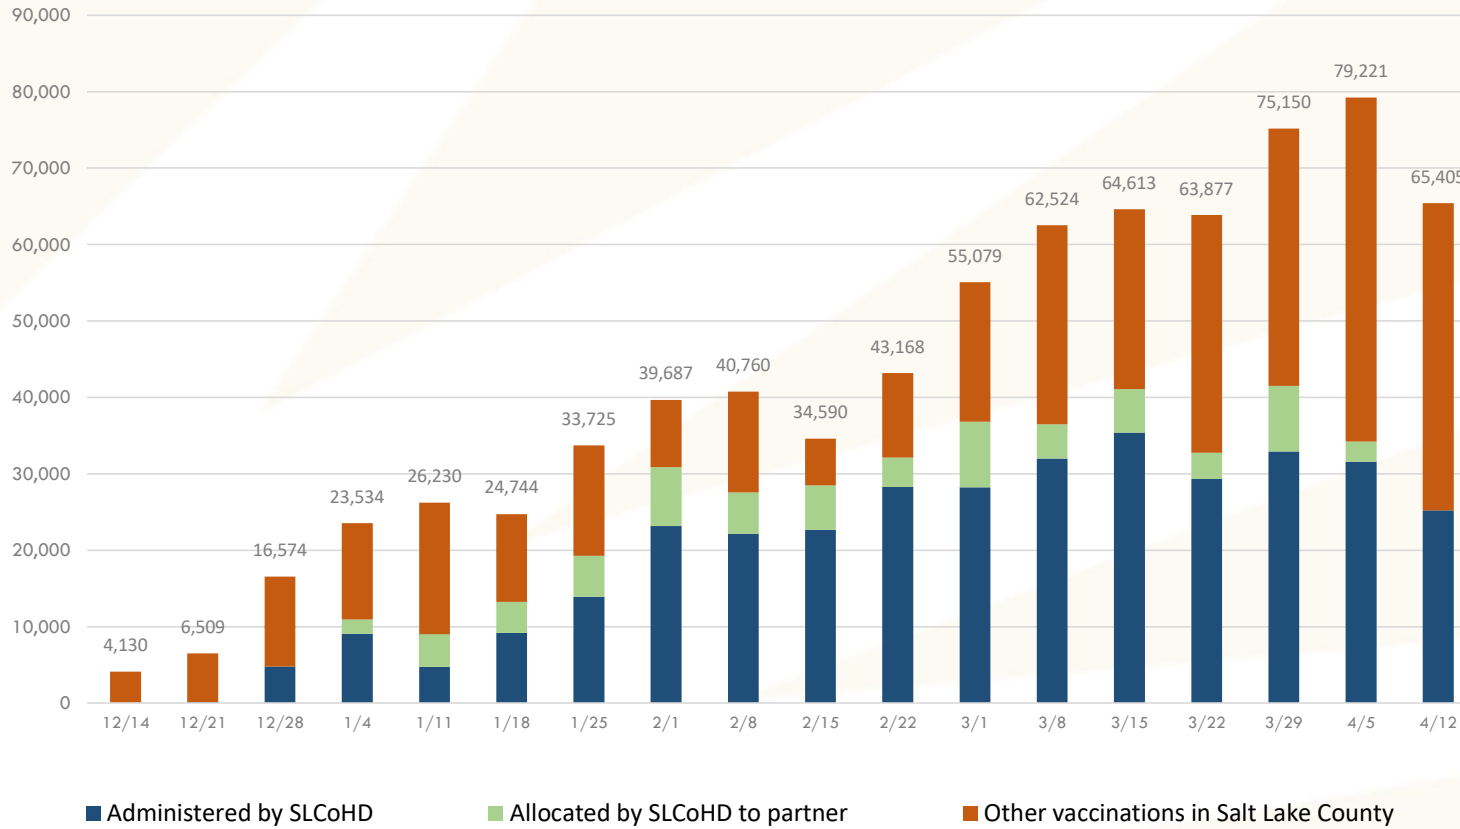

Current Priority Group:

- Individuals 16 years and older

Resources for vaccinations:

- Pharmacies
- Health care systems
- LHD
- Other vaccination partners
