# Goals:

- Support shared usage of public space.
- Increase enforcement and public compliance with ordinances.
- Proactively address animal issues.
- Provide safer areas for our community.
- Participate in Master Plan enforcement needs assessments.

# Measure:

- Reduce the number of complaints and concerns from citizens.
- Increase enforcement occurrences.
- Increase patrols. Share resources and education to deter negative behaviors.
- Reduce bites and attacks.
- Participate in Master Plan discussions.

Thank You
