May 4, 2021

A RESOLUTION OF THE COUNTY COUNCIL OF SALT LAKE COUNTY,  
BE IT KNOWN AND REMEMBERED:

THAT, the County Council of Salt Lake County, State of Utah, met in regular session of the Council on the 4th day of May, 2021.

WITNESS:

WHEREAS, a pandemic of the COVID-19 Virus (COVID-19) swept the world in the 2020, continued into 2021 and necessitated declarations of emergency by the President of the United States and the Governor of the State of Utah; and

WHEREAS, pursuant to Utah Code Annotated, Sections 53-2a-205 and -208, the Mayor of Salt Lake County has the power to declare a state of emergency for Salt Lake County; and

WHEREAS, Section 2.86.030, Salt Lake County Code of Ordinances, 2001, authorizes the Mayor to declare that a state of emergency exists in Salt Lake County and to invoke certain powers in aid of responding to and mitigating such emergency; and

WHEREAS, Section 2.86.050.E, Salt Lake County Code of Ordinances, 2001, authorizes the Mayor in the event of a public health emergency and at the request of the Executive Director of the Salt Lake County Health Department (the Director) to declare an emergency to prevent or contain the outbreak and spread of a communicable or infectious disease; and

WHEREAS, the Mayor issued a Proclamation Declaring a State of Emergency and Invoking Emergency Powers in Salt Lake County based upon the imminent danger created by the threat of COVID-19 on March 6, 2020; and

WHEREAS, COVID-19 has caused the Salt Lake County Health Department to quarantine individuals and to take other steps within its authority to mitigate the potential spread of the disease; and

WHEREAS, Salt Lake County continues to suffer from widespread community transmission of COVID-19 within Salt Lake County; and

WHEREAS, Salt Lake County has been instrumental in the distribution and administration of vaccines designed to prevent COVID-19; and

WHEREAS, Salt Lake County continues to utilize personnel and resources necessary to mitigate the spread of COVID-19 and to distribute and administer vaccines, and will continue to seek reimbursement from the United States government for these and other emergency expenses; and

WHEREAS, Salt Lake County's outbreak of COVID-19 is still impacting every citizen of Salt Lake County's municipalities, metro townships, and unincorporated areas of Salt Lake County, even as the rate of new cases decline, and vaccination rates increase; and

WHEREAS, the Director requested the Mayor declare a public health emergency; and

WHEREAS, these conditions have created a "Public Health State of Emergency" according to the laws of the State of Utah and ordinances of Salt Lake County; and

WHEREAS, State law and County Ordinance permit the Mayor's declaration of a public health emergency to be effective for a period not to exceed 30 days, unless the emergency declaration is continued or renewed with the consent of the County Council; and,

WHEREAS, Utah Code Annotated, Sections 26A-1-130(5) and 53-2a-218(5) provide

that notwithstanding the termination of state and local emergency powers pertaining to COVID-19 upon certain established threshold conditions established by state law, a declared public health emergency issued in response to COVID-19 or the COVID-19 emergency may remain in effect; and,

WHEREAS, the County Council has previously continued the Mayor's declaration of an emergency in recognition of the ongoing pandemic; and,

WHEREAS, the County Council agrees that the declaration of a public health emergency should be continued for the limited purposes of: 1) seeking federal reimbursement of costs incurred by the County in responding to the ongoing pandemic; and, 2) organizing and conducting a mass vaccination effort which will help end the ongoing pandemic.

#### RESOLUTION:

NOW, THEREFORE, THE FOLLOWING IS RESOLVED:

1. The County Council of Salt Lake County hereby finds that a Public Health State of Emergency continues to exist in and for Salt Lake County due to COVID-19.
2. The Council acknowledges and supports the invoking of the emergency powers and operations of the County by the Mayor to address the impacts of COVID-19.

4. The Council retains its authority to act as the legislative body for Salt Lake County government and to perform all functions specified in County Ordinance 2.86.060 and in other applicable provisions of law, including fiduciary responsibility for the County's various budgets and funds.

5. The Council supports and approves all orders and regulations issued thus far by the Mayor and the Director regarding the state of emergency, copies of which have been duly filed with the Salt Lake County Clerk and previously disseminated to the Council. The Council requests that any new orders or regulations issued by the Mayor and Director regarding the state of emergency be promptly disseminated to the Council, and that the Mayor review all orders and regulations issued thus far and rescind any that are no longer necessary to respond to the state of emergency.
6. The Council requests that the Mayor continue to provide regular updates to the Council concerning the state of emergency pursuant to County Ordinance 2.86.050.D, including timely updates about the County's vaccination efforts and federal reimbursement process so that the Council might best evaluate when the state of emergency can reasonably be concluded.
7. The Council requests that the Mayor promptly notify the Council Chair of any new or modified public health orders issued pursuant to County Ordinance 2.86.050.E, particularly if those orders deviate from public health orders issued by the Governor of Utah or the State Department of Health. Such notice should be provided as soon as practical, but no later than five calendar days after such orders have been issued.
8. The Council encourages the Mayor to procure goods and services necessary to respond to the declared state of emergency through the regular, non-emergency purchasing procedures outlined in Chapter 3.20 of County Ordinance. The Council requests that the Mayor promptly notify the Council Chair of any new or extended emergency procurements related to the declared state of emergency

made under the authority of County Ordinance 2.86.050.A. or 3.20.040 and this declaration. Such notice should be provided as soon as practical, but no later than five calendar days after such procurements have been authorized.

9. This Resolution shall take effect immediately and be declared to be ongoing and continuing until Midnight, June 9, 2021 unless the facts supporting the Public Health State of Emergency no longer exist as determined by the Mayor and Director.
10. This Resolution shall be provided to the State of Utah, the Mayor, and the Director and shall be filed immediately with the Salt Lake County Clerk and published by general dissemination as appropriate.
