Invocation - Reading - Thought

Council Member Newton introduced Joshua Johnson who wrote a poem and entered it into the Reflection's contest where it won regional, state, and national in literature.

Joshua Johnson, student, Bennion Junior High School, read his award-winning poem.

Pledge of Allegiance

Mr. Sam Klemm, Senior Policy Advisor, led the Pledge of Allegiance to the Flag of the United States of America.

2. CITIZEN PUBLIC INPUT

Ms. Shykell Ledford, Administrative Coordinator, Council Office, stated a comment was received from Susan Sandack via email. The comment was distributed to the Council and to the Clerk to be filed.

Mr. Lawrence Horman stated he suspected the reason the vaccination efforts have

slowed is because people do not know what is fact and what is spin regarding the vaccines and want proof before getting vaccinated. He also asked if there was anywhere for a person to get tested for antibodies if they had a negative Covid test.

3. REPORT OF ELECTED OFFICIALS:

3.1. Council Members

Council Member Stringham stated she wanted to publicly address an email asking why she was not currently wearing a mask. Due to respiratory issues, her doctor has recommended she limit wearing a mask to keep her oxygen levels up. It is not a political decision. She has been fully vaccinated, and always asks those next to her if they care whether she takes her mask off. If they have a problem, she will leave it on. However, if they are okay with it, she will remove it so she can breathe during the meetings.

Council Member Theodore explained to her constituents that she voted to extend the Public Health Emergency for vaccine related expenditures, with the understanding the Federal Emergency Management Agency (FEMA) will reimburse the County for those expenditures. That is not an overstatement of an emergency when the County is not really in an emergency. Over 2.1 million vaccines have been administered in Utah and over 860,000 in Salt Lake County; there is ample supply of the vaccine and it is currently available to get without an appointment; and the number of COVID-19 cases in Utah has plateaued. She has instructed her staff to prepare policy changes to lift the mask mandate at all Salt Lake County facilities and programs, and she encouraged the Council and Mayor's Office to support the same to help residents get back to normal.

Council Member Newton recognized the passing of Gary C. Swensen. In 2015, the Council renamed the Valley Regional Park to the Gary C Swensen Valley Regional Park. She recognized his contributions that led to that, and expressed condolences to Mr. Swensen's family.

Council Member DeBry stated he just received notice that the Utah Department of Health formally notified the State Legislature that the three COVID-19 thresholds established in H.B. 294 have been met.

EXTENSION OF THE PUBLIC HEALTH EMERGENCY DECLARED BY THE SALT LAKE COUNTY MAYOR AND THE EXECUTIVE DIRECTOR OF THE SALT LAKE COUNTY HEALTH DEPARTMENT

COVID-19 PANDEMIC

RESOLUTION NO. 5857

A RESOLUTION OF THE COUNTY COUNCIL OF SALT LAKE COUNTY, BE IT KNOWN AND REMEMBERED:

THAT, the County Council of Salt Lake County, State of Utah, met in regular session of the Council on the 4th day of May, 2021.

WITNESS:

WHEREAS, a pandemic of the COVID-19 Virus (COVID-19) swept the world in the 2020, continued into 2021 and necessitated declarations of emergency by the President of the United States and the Governor of the State of Utah; and

WHEREAS, pursuant to Utah Code Annotated, Sections 53-2a-205 and -208, the Mayor of Salt Lake County has the power to declare a state of emergency for Salt Lake County; and

WHEREAS, Section 2.86.030, Salt Lake County Code of Ordinances, 2001, authorizes the Mayor to declare that a state of emergency exists in Salt Lake County and to invoke certain powers in aid of responding to and mitigating such emergency; and

WHEREAS, Section 2.86.050.E, Salt Lake County Code of Ordinances, 2001, authorizes the Mayor in the event of a public health emergency and at the request of the Executive Director of the Salt Lake County Health Department (the Director) to declare an emergency to prevent or contain the outbreak and spread of a communicable or infectious disease; and

WHEREAS, the Mayor issued a Proclamation Declaring a State of Emergency and Invoking Emergency Powers in Salt Lake County based upon the imminent danger created by the threat of COVID-19 on March 6, 2020; and

WHEREAS, COVID-19 has caused the Salt Lake County Health Department to quarantine individuals and to take other steps within its authority to mitigate the potential spread of the disease; and

WHEREAS, Salt Lake County continues to suffer from widespread community transmission of COVID-19 within Salt Lake County; and

WHEREAS, Salt Lake County has been instrumental in the distribution and administration of vaccines designed to prevent COVID-19; and

WHEREAS, Salt Lake County continues to utilize personnel and resources necessary to mitigate the spread of COVID -19 and to distribute and administer vaccines, and will continue to seek reimbursement from the United States government for these and other emergency expenses; and

WHEREAS, Salt Lake County's outbreak of COVID-19 is still impacting every citizen of Salt Lake County's municipalities, metro townships, and unincorporated areas of Salt Lake County, even as the rate of new cases decline, and vaccination rates increase; and

WHEREAS, the Director requested the Mayor declare a public health emergency; and

WHEREAS, these conditions have created a "Public Health State of Emergency" according to the laws of the State of Utah and ordinances of Salt Lake County; and

WHEREAS, State law and County Ordinance permit the Mayor's declaration of a public health emergency to be effective for a period not to exceed 30 days, unless the emergency declaration is continued or renewed with the consent of the County Council; and

WHEREAS, Utah Code Annotated, Sections 26A-1-130(5) and 53-2a-218(5) provide that notwithstanding the termination of state and local emergency powers pertaining to COVID-19 upon certain established threshold conditions established by state law, a declared public health emergency issued in response to COVID-19 or the COVID-19 emergency may remain in effect; and,

WHEREAS, the County Council has previously continued the Mayor's declaration of an emergency in recognition of the ongoing pandemic; and

WHEREAS, the County Council agrees that the declaration of a public health

emergency should be continued for the limited purposes of: 1) seeking federal reimbursement of costs incurred by the County in responding to the ongoing pandemic; and 2) organizing and conducting a mass vaccination effort which will help end the ongoing pandemic.

RESOLUTION:

NOW, THEREFORE, THE FOLLOWING IS RESOLVED:

1. The County Council of Salt Lake County hereby finds that a Public Health State of Emergency continues to exist in and for Salt Lake County due to COVID-19.
2. The Council acknowledges and supports the invoking of the emergency powers and operations of the County by the Mayor to address the impacts of COVID-19.

4. The Council retains its authority to act as the legislative body for Salt Lake County government and to perform all functions specified in County Ordinance 2.86.060 and in other applicable provisions of law, including fiduciary responsibility for the County's various budgets and funds.
5. The Council supports and approves all orders and regulations issued thus far by the Mayor and the Director regarding the state of emergency, copies of which have been duly filed with the Salt Lake County Clerk and previously disseminated to the Council. The Council requests that any new orders or regulations issued by the Mayor and Director regarding the state of emergency be promptly disseminated to the Council, and that the Mayor review all orders and regulations issued thus far and rescind any that are no longer necessary to respond to the state of emergency.
6. The Council requests that the Mayor continue to provide regular updates to the Council concerning the state of emergency pursuant to County Ordinance 2.86.050.D, including timely updates about the County's vaccination efforts and federal reimbursement process so that the Council

might best evaluate when the state of emergency can reasonably be concluded.

7. The Council requests that the Mayor promptly notify the Council Chair of any new or modified public health orders issued pursuant to County Ordinance 2.86.050.E, particularly if those orders deviate from public health orders issued by the Governor of Utah or the State Department of Health. Such notice should be provided as soon as practical, but no later than five calendar days after such orders have been issued.

8. The Council encourages the Mayor to procure goods and services necessary to respond to the declared state of emergency through the regular, non-emergency purchasing procedures outlined in Chapter 3.20 of County Ordinance. 9. This Resolution shall take effect immediately and be declared to be ongoing and continuing until Midnight, June 9, 2021 unless the facts supporting the Public Health State of Emergency no longer exist as determined by the Mayor and Director.

10. This Resolution shall be provided to the State of Utah, the Mayor, and the Director and shall be filed immediately with the Salt Lake County Clerk and published by general dissemination as appropriate.

AUTHORIZING EXECUTION OF A BOUNDARY LINE AGREEMENT
WITH MAXFIELD BEARDSLEY, LLC, REGARDING CERTAIN REAL
PROPERTY LOCATED ADJACENT TO THE SURPLUS CANAL

WITNESSETH

A. Salt Lake County (“County”) is responsible for the operation and maintenance of the Surplus Canal, which is designed to divert water from the Jordan River to control flood flows and is the record owner of owns certain real property located at approximately 1050 West Beardsley Place, Salt Lake City, Utah, being part of the Surplus Canal (the “County Property”).

B. Over the years, the County has acquired various types of interest from private property Owner for the Surplus Canal’s existing location.

C. The County is currently working on a project to clarify and make its real property interests along the Surplus Canal uniform and remove encroachments into the Surplus Canal’s levee system.

D. Maxfield Beardsley, LLC (the “Maxfield”), owns a parcel of real property adjacent to the County Property, having an address of 1012 West Beardsley Place, Salt Lake City, Utah (Parcel No. 15-23-328-015), together with any and all improvements located thereon and encumbrances affecting the same (the “Maxfield Property”).
